By Balance due Loven Powell

Loudoun County St. Loven Powell find made oath to the above
a/c this 1st day of Feby 1794 before

Pierce Bayly

Pursuant to an Order of the worshipful Court of Loudoun County dated December Court 1793 we the subscribers have settled the accounts of Loven Powell so far as respects him & find the within acc^t to be rightly & justly stated. In settling the said accounts a difficulty arose at what rate of depreciation the paper money entries should be settled of which we fixed at the rate within mentioned for the following reasons. It appeared to us by the will of the Testator that the money for the Sale of the Lots in Town were to be applied to the Education of Dennis & Wilfred Johnston or so much whereof as might be left after Paying the Debts after the Personal Estate should be applied to that purpose. which Personal Estate being in the Hands of the other Executor who declined settling it, left it uncertain how the money for the Sale of the Lots was to be applied. It appeared also that the said Powell had consulted Capt: Elzey in the Summer of 1778

whether it would not be proper to put the said money into the Loan office
for the Benefit of the Estate who advised against. It also appeared by
the Confession of Archibald Johnston that the said Powell had applied to
him the said Archibald Johnston the Other Executor to have himself
appointed Guardian to Dennis & Wilfred Johnston in order that he
might receive the money from the said Powell & which the said
Johnston declined. It appeared also that the said Powell had put
the said money out at Interest to W. Battail Mure who returned it
to him in March 1779 with the Interest - upon Considering
the Circumstances we are of Opinion the said money ought to be
settled agreeable to the Scale of Depreciation in October 1779 the
time when the said Powell confessed He had made use of the said
money on his own Account - Given under our Hands this 1st day
February 1794 -
