In the name of God Amen I George Nixon of Loudoun County ^{Nixon} ^{James} ^{will}
in the state of Virginia being now advanced in years & afflicted
with Infirmitis and sickness But thro^g Gods great Mercy of a
sound mind & understanding, & in the full use of my reason do make
this my last will and Testament as followeth to wit: First, that all
my just Debts & burial expenses be punctually paid -
Secondly, I give unto my beloved wife Mary the plantation whereon
I now live together with my Grind Mill and stock, household furniture
and farming Utensils which she may think proper to keep for the
support of herself and the family remaining with her, Thirdly I give
unto my son George Nixon his heirs and assigns forever three hundred
Acres of land whereon he now lives, including the saw mill, the
dividing line to be regulated in such manner that the Meads

(222)

Contiguous thereto shall remain to my home plantation, But
 Nevertheless my said son George his heirs and assigns shall forever
 have full and uncontrollable use and benefit of, in and to the waters
 and the means of conveying the same to the said Mill as hereto-
 fore, Together with a space of six feet wide on each side of the
 race as a passing way and to lay on Gravel or any thing else in
 cleaning or scouring out the said race - Fourthly I give unto my
 Daughter Elizabeth White her heirs & assigns forever that tract of
 Land I purchased of John Threlkell containing about thirty acres
 whereon Leonard Thomas now lives, Fifthly I give unto my two
 Grand Children George and Jonah Nixon (of my deceased son
 Jonah) their heirs and assigns forever one hundred acres of land
 a piece, to be laid off that part of my land whereon E. Reinker
 now lives, should either of my said Grandsons die before he
 arrives to twenty one years of age, then the survivor shall inhe-
 rit the said 200 acres of land, but if they shall both die before
 they arrive to 21 years of age then the said land shall be sold & the
 money be equally divided amongst their three sisters namely,
 Loanner and Ruth when they arrive to twenty one years of age.
 It is also my will that their Mother shall have the peaceable enjoy-
 -ment and possession of the house and garden she now occupies
 with liberty of keeping two cows as heretofore, during her widow-
 -hood should that time be commensurate with the life of my
 wife; and whereas my said Daughter in law will stand in need of
 some assistance in supporting and educating of her first chil-
 -dren, I therefore give four hundred pounds current money
 which together with her own Industry and the rents of the two
 hundred acres of Land I hope will be sufficient, and I do hereby
 Authorise and empower my Executors hereafter named, to apply
 Annually so much of the rents and then of the four hundred pounds
 as in their discretion may be necessary for their Support and Edu-
 -cation, Recommending at the same time for my said Daughter
 in law to put her sons to useful Trades as soon as they are of fit age
 (say 14 years) and whatever sum of money can be saved out of the four
 hundred pounds rents aforesaid shall be equally divided amongst my three
 Grand Daughters, namely Loanner and Ruth (of my son Jonah) when they arrive
 to twenty one years of age or the survivors or survivor of them Sixthly I give
 unto son John Nixon his heirs and assigns forever the plantation

whereon I now live together with my first Wife, after the death of (253)
his Mother, also my Book case, Desk & Books, my silver watch, that
gave one feather Bed & furniture and a good Horse saddle and bridle to be
delivered him at twenty one years of age, whereas Maria is a trust depending
about that part of my plantation purchased of John Hough, my will
and desire is that if that land shall be recovered by law before the death
of my wife, then she and my son John Nixon shall receive as a compensa-
tion therefor, the sum of two hundred and sixty six pounds to be paid out of
my personal estate, and if recovered after that period my son John shall
receive the same sum; But if the said land shall be vested in Hough
and the purchase made of him established, then my will is that the
said land shall remain as a part of my plantation, and is closed included
in my gift to my wife during her life and then descend to my son John
his heirs and assigns forever, and the sum of one hundred & thirty three
pounds taken out of his part of my personal estate and equally divided
amongst my three Daughters, Betty, Hannah and Rebeccah or their heirs
Seventhly, The land purchased of Augustine Love adjoining the
the also my land and improvements at the sulphur springs in Madison
County I have to be sold, the amount whereof with my other
undisposed of, the several sums of Money I have out at Interest,
open accounts &c. Together with so much of my personal estate
as my wife can spare (to be sold) and the whole being collected together
as soon as possible will form a fund out of which I give to my
Daughter Peggy Harris two hundred pounds Current money to be
paid her in ten annual payments; But on the death of her husband
she shall draw the balance immediately, and if she dies, before
him whatever may be due to her shall be paid out to Interest until
her youngest child comes of age and then the whole equally divided
amongst her children. I give to my Daughter Sarah white two
hundred pounds Current money one half whereof she shall receive
at Eighteen Months and the other half at the end of three years
after my decease, I also give to my Daughter Hannah the new feather
Bed and furniture which was made for her, that saddle & Bridle
she generally uses and her own choice of one Cow & half out of the stock
I leave (not to be appraised) also two hundred pounds Current money
to be paid to her within three years after my decease, or at her marriage
if that event takes place at an earlier period - I also give to my Daughter

(224)

Relukah. the new feather^{bed} and furniture which is now making^{up} for
the saddle and bridle she generally uses and her own choice of milch
and calf out of the stock I leave (not to be appraised) also two hundred
pounds current Money to be paid to her within three years after my
decease, or at her marriage if that event takes place at an earlier
period; I also give to my Daughter Ann Myers, two hundred
pounds current money to be paid to her within three years after my
decease, and the privilege of residing in my house as she does during
her widowhood should that time be commensurate with the life of
my widow; I also give to my Daughter Betty Fawcett two hundred
pounds current money which she shall receive at the expiration
of three years after my decease. I also give to my son John Nixon
two hundred pounds current Money to be paid into his Mothers
hands in trust for him within three years after my decease
But if she dies before the said three years expires then my will is
that my Executors take the said two hundred pounds together with
what other sum or sums of Money may appear to be his part of
my Estate and put the same to Interest for him until he arrives
to twenty one years of age Rightly I do hereby Emancipate and set
free my Slave Jancho: at the expiration of forty days after my decease
and my will is that he be furnished with one good strong suit of Cloths
besides such as he may then have; I do also Emancipate & set free
my Slave Peter when he arrives to the age of thirty years, provided
nevertheless if the said slave should estimate the blessings of liberty &
freedom at so low a rate as to entail slavery on his own children
by taking a wife that is a slave, he shall then remain a slave him-
self until he is thirty five years of age and then be free if within
that time he shall be so ungrateful as to depart from that good
behaviour and faithful conduct which he has hitherto observed
he shall then remain a slave until he is forty years old & then be free
at either of which periods he shall be furnished with one good strong
suit of Cloths besides such as he may then have. Ninthly & by my
will, that whatever may remain in the hands of my Executors
after satisfying the foregoing legacies and gifts shall be by them put
out to Interest until my son John Nixon is twenty one years of age;
But if my wife shall die before that period, my will is that whatever
may then remain of my Estate shall be sold at the discretion of my Executors
and the money equally divided amongst all my children viz. George
Nixon, Peggy Davies, Sarah White, Elizabeth White, Ann Myers, Betty Fawcett,
Hannah Relukah and John Nixon Tenthly all the property which

my wife Mary together with her I do hereby relinquish all rights, and (25)
leave the disposal thereof to herself and it is my will and desire that
my friend Israel Tenney shall in the presence of my Executors, within
three months after my decease sign my agreement to this my will, the
land I have given to my son George Nixon, and also the land I have
given my grandsons (of my son Josiah) at the expense of my estate;
And lastly I do hereby constitute and appoint my two sons in law
Joseph White and George Tannor whole and sole Executors of this
my last Will and Testament; requiring them to see the same duly
executed and performed in every part; And moreover that they cause
to be laid out one quarter of an acre of land on my plantation, where
I have buried part of my family and am to be buried myself that
they keep the same enclosed with a post and rail fence at the expense
of my estate until my son John comes into the possession of the plantation
after which time he shall keep the said burial ground in good repair
and except the same out of any debt he may receive if he should ever
sell the said plantation, and I do declare this only to be my last will
and Testament In Testimony whereof I have hereunto set my
hand and seal this 26th day of July 1797
