Imprimis My Will and desire is that all my Last debts
should be first paid, together with funeral expences.

remainder of my said Estate both real and personal should descend to my
beloved sons, Samuel and Hanly & be equally divided between them the sd
Samuel and Hanly, share and share, alike: & I do therefore give an bequeath
unto my said sons Samuel & Hanly all my estate both real and personal in the
Counties of Loudoun, Fairfax and Elsewhere to be equally divided
between them in fair and Just moetyes share, and share, to be enjoined
by them and their Heirs forever after paying my Last debts and funeral
Expences aforesd

Item The rest of my Childrens whose names are not mentioned
above, having already received from me all that I ever Intend to give
them it is my desire shall not receive any other part of my estate
either Real or personal and farther Let it be known that it is not
through mistake or forgetfulness or want of Particular kindness that I
now decline making them partakers of what Little estate I am now
possessed of. But through a conviction that they have already been sufficiently
advanced and provided for and have received the whole that ever I intended
to give them. Also I think proper to publish that as the Laws of the
Land have amply and sufficiently provided for my Beloved, wife in
case I decease before her - next to that of the Deceased, I leave her to

to their protection. trusting that a provision for her that Day will be more to her Benefit & satisfaction than any bequest I can now make her. Lastly I appoint my said son Samuel & my beloved wife ~~my~~ my Executors of this my last will and Testament revoking all other Wills heretofore by me made. In witness whereof I have hereunto set my hand and seal this Tenth day of March seventeen hundred and ninety one Anno Domini
