 set for this County I have proceeded to examine and settle
 the Estate account of Timothy Melen Deceased with Maurice
 Bulany the Executor appbore, he observes to me that there
 is in the hands of Terrence High sixteen hundred dollars
 which is not entered in this account The said Terrence
 High having the care of the store at the death of said Melen
 this sixteen hundred dollars fell into his hands & still re
 mains with him, the above charges for going to Baltimore
 Alexandria & eight or ten different times and the expenses
 already

Allowing her travelling I am convinced the Court
will allow him as well as for his Board while
detained here it being the only Business he had in
this State Also the $\frac{1}{2}$ of the cost will not appear too
much when they consider that he has been detained
from his home & Business in Baltimore for near twelve
months.
