Will

I Stephens Thomson Mason of Loudoun
County and Commonwealth of Virginia being of sound and dis-
posing mind and memory but in bad Health for the recovery
of which I about to make a long Journey reflecting that it is
ordained for all men "die and being uncertain how soon or
how suddenly I may be summoned from this world deem it
necessary to make and ordain this my last Will and testament
horely revoking all others by me heretofore made. My Soul
being entirely at the disposal of the Almighty author of it
I conceive it to be no fit subject of this my Will and my
body when deprived of it will be of so little consequence as
to give me no present solicitude about it

Examined

As to my religious opinions I see no necessity of giving an
account of them here and whatever they are or may be
is of no importance to the World or to those who after my
decease may enjoy my Estate which I dispose of in man-
ner following Viz.

Imprimis I give and bequeath unto my beloved Wife Mary
Mason for and during her natural life all that part
of the land on which I now live included within the
following boundaries to wit Beginning at the corner
of the fence on the main Road being the South East
-only corner of the farm meadow thence to the North-
-waily post of the New Gate on the Piece above the
house that Benjamin Jackson lives in thence to a white
oak on the old Road marked T.A. being the second
corner of Joseph Dixons Patent thence to where the spring
branch in Castles field empties into the Run thence up
the Run and the large Ditch cut through the old
Meadow and continuing the last course of that Ditch
till it shall strike the line between my land and

my brother John Thomson Mason's land thence with that line to the land lately the property of Eola Binges Ball deceased thence with the lines of that land separating it from mine to a red oak corner on the main road thence along the main Road with my lines to the beginning be the said quantity of land more or less my said wife is also to have during her widowhood the privilege of getting off the land I purchased of the Mercers and of James Ball any timber wood or stone she may have occasion for to support the land herein devised to her it is also my Will and desire that the House now building on the Mill shall be completed and finished at the expence of my Estate and at the like expence such things and additions Offices inclosures and other conveniences and improvements be made as may suit with the stile of the principal Building.

Should it be found or thought most advisable to work the whole of Hasberry Plain and the adjacent lands in common for the benefit of my Family or so long as the same may be done it is my Will that the family be furnished with all necessary supplies the product of the Farm and that my wife draw one third of the nett profits arising from its cultivation in case of a separation of the property my wife is then to be furnished with the articles above mentioned and one third of the Hogs and Sheep. The provision herein made for my wife is declared to be in lieu of Dower and all other claims ^{upon} of my Estate.

Item I give and bequeath unto Mrs Fanny Elzey the wife of Colo. William Elzey ^{her} ~~the~~ choice of Winneys two

daughters Fanny and Eve.

Item I give and bequeath unto Ann the wife of Thomas Hurst and her heirs the Negro Girl Silvia and the boy Talbott now in the possession of the said Thomas Hurst. Also I give and bequeath ^{also} unto the said Ann and her heirs forever one equal moiety of a tract of land on the waters of Scioto in the state of Ohio containing one thousand Acres for which a survey in my name or assigned to me is now lying in the office of the Secretary of State at the City of Washington and on which a patent has probably issued. I also direct that there shall be paid to each of the children of the said Ann which she has or may have one hundred dollars out of my Estate as such children shall respectively arrive at the age of twenty one years or marry and the like sum to the said Ann should she become a Widow.

Item I give and bequeath all the residue of my Estate both real and personal wheresoever it may be ⁱⁿ whatsoever it may consist to my beloved wife Mary Mason and my dear brother John Thompson Mason and their heirs and the heirs of the survivor of them in trust for the following uses Viz. All the said Estate is hereby made chargeable with the sum of ten thousand dollars to be paid to my brother John Thompson Mason which I believe is rather less than I at present owe him on account of his claim upon our Fathers Estate and liberal ^{sums} ~~Estates~~ he has at different times advanced me any payments hereafter made to him to be deducted from that sum. Also for the

support and maintenance of the family I may leave the
 payments of my Debts and Legacies and the educa-
 tion and advancement of my children hereby giving
 to my said Trustees or the survivor of them full
 power and authority to sell any part of my Estate
 devised in trust as aforesaid and to invest any part
 of the proceeds thereof as well as the profits of such
 part of my Estate as may remain in the hands of
 my said trustees or the survivor of them either in the
 improvement of my Estate or in the purchase of
 any other property for the use and benefit of my
 children and to provide for and portion out of my
 Estate all or any of my children (whether living at the
 time of my decease or born afterwards) in such time
 and manner as my said trustees or the survivor of
 them may conceive their situations in life may require
 or their merits may Justify and if such division or
 apportionment of my Estate among my children should
 not take place during the joint lives of my said
 trustees that in such case the survivor of them may
 by Deed or Will at any time or times dispose of the
 whole or any part of my Estate whether now possessed
 by me or may hereafter in any manner be acquired
 by me or by them in virtue of this trust, in such
 manner to or among my children as such survivor
 may think reasonable or proper hereby delegating
 to my said trustees and the survivor of them
 all the power in that respect which I could myself

(if living) exercise over the said property in the fullest confidence that my children will find my loss supplied in a Parental care and attention from those to whom I have entrusted them and their property

I appoint my said Brother John Thompson Mason Guardian of my sons and my wife Guardian of my daughters having no doubt but that a proper attention will be paid to their Education I think it only necessary to declare it to be my Will and desire that no proper Expences may be spared even to the full extent of my property (if necessary) to render them good and useful members of society according to their respective capacities But it is my Will that if my Wife should marry again the trust Estate as well as the Guardianship of my Daughters herein devised and delegated to her shall from thenceforth as to my said wife cease and determine and devolve solely and entirely upon my said Brother John Thompson Mason. This precaution does not at all proceed from any distrust or want of confidence in my beloved wife who has always given abundant proof that she is entitled to all that I could repose in her nor from wish to restrain her from a second marriage should she conceive it conducive to her happiness but her own good sense and reflection will point out the prudence and propriety of guarding against the possibility of committing our Children or their fortunes to the power of a stranger

Item. It is my Will and desire that my slaves and

stocks (except such as it may be deemed necessary or advisable to sell) be kept on my Lands in Loudoun and my Farms continue to be worked and carried on untill my Trustees shall judge and determine that it would be most beneficial to depart from the said plan in whole or in part.

Lastly I constitute and appoint my said Brother John Thomson Mason Executor of this my last Will and Testament and my sons Armistead Thomson Mason John Thomson Mason Jr and Stephens Thomson Mason Jr as they shall respectively attain the age of Twenty one Years to be joined with my said Brother in the said Executorship.

In Witness whereof I have hereunto set my hand & affixed my seal this twenty second day of April in the Year of our Lord one Thousand eight hundred and Three

Vandewater I Do remember that I Isaac Vandewater of the County of Lou-
 don and State of Virginia being weak in body but of sound
 mind and memory do make and ordain this my last Will and Tes-
 tament in manner and form following that is to say my Just
 debts together with my funeral expenses to be first paid and
 my worldly property I give and bequeath as follows Vizt.
 I give unto my son Isaac Vandewater for the plantation whereon
 he now liveth containing one hundred acres to him and his
 heirs and assigns; it being agreeable to a bargain made between
 him and myself reference being had will fully fully appear
 my son Joseph is to pay unto my son Isaac the sum of twenty
 pounds at the end of five years from the date hereof
 I give unto my son Joseph Vandewater one half the Land
 I purchased of Frederick Fitzee being the plantation I now live
 upon unto him and his heirs and assigns to be laid out in the
 following manner to begin in the line between me and John
 Dodd and about ten poles above the fence that runs to the eastward
 above the orchard and Still House and to run an east course nearly
 to a Green Chermut tree standing in the field in a South east direc-
 tion from the corner of the orchard then to run such a course or
 courses to the back like or lines as will give a sufficient quantity of
 timber to my son Joseph the above described land is to include all
 my improvements some clear land except and if my executors cannot
 agree upon running of the above mentioned line or lines from the
 above mentioned Chermut tree then they shall choose three men
 to settle the same.

I give unto my son John Vandewenter this sum of one hundred and forty pounds out of the money my son Isaac Vandewenter owes me or at least one hundred pounds out of what his brother Isaac owes me and the remaining forty pounds to be paid him as soon as my Executors conveniently can.

I give unto my son Cornelius Vandewenter and his heirs and assigns One hundred and twenty five Acres of land being the residue or remainder of the land purchased of Frederick Titzer with the spring called the poplar spring thereon.

I give to my daughter Sarah Vandewenter and her heirs the sum of two hundred pounds to be raised out of my personal estate and if that should be found insufficient the balance that is wanting shall be made up by my two sons Joseph and Cornelius and that in equal proportions But if my daughter Sarah chooses to take a bed and furniture as also a horse and saddle at the appraised value she is at liberty so to do.

I give unto my Daughter Mary Vandewenter this sum of two hundred pounds to her and her heirs to be raised and paid out of my personal Estate But if that should be found insufficient the balance that is wanting shall be made up by my two sons Joseph & Cornelius but if my daughter chooses to take a bed and furniture as also a horse and saddle at the appraised value she is at liberty so to do so.

I give unto my Grand daughter Matilda Hursey one bed and furniture one saddle what was her mothers & also the furniture that was her mothers as also the sum of one hundred dollars to be paid to her when she arrives at the age of eighteen years the before mentioned one hundred is given to her in lieu of her mothers wearing apparel.

It is my Will that each of my daughters Sarah and Mary Vandewenter shall receive their legacies when they arrive at the full age of twenty one years but if either of daughters should die before they arrive to the age above mentioned leaving no

Lawfull Issue then and in that case her legacy is to go to her surviving Sister and her heirs but if both my daughters should die before they attain the age of twenty one yeares leaving no Lawfull Issue then and in that case all that was intended and given to them shall be equally divided between their brothers Isaac Joseph John and Cornelius Vandewanter.

And it is my Will that my son Cornelius together with his sisters Sarah and Mary shall live in the dwelling house that is now given unto their brother Joseph untill they arrive to the full age of twenty one yeares

And it is my Will that the Lands given unto my sons Joseph and Cornelius Vandewanter shall be valued at a yearly rent and the one half that rent shall go to the use and support of my son Cornelius untill he arrives to the age of twenty one yeares but if he should die before he arrives to that age leaving no Lawfull Issue then his lands shall be sold and the money arising shall be equally divided between his brothers Isaac Joseph and John Vandewanter and their heirs

And whereas there is a dispute and a suit now depending in the County Court of Loudoun Between Abraham Davis and myself wherein said Davis sets up a claim to part of my land now if it should so turn out that said Davis should recover or take away part of my land then my two sons Joseph and Cornelius is to be equally looses. and if my Executors shall think it for the benefit and future advantage of my son Cornelius to put and bind him to some good trade they are directed so to do
