According to an order of Lunsenburg Court here
annexed we have examined the account of John
Ragdale and Reuben Tidale, adm^rs of Daniel
Williams dec^d. And upon our examination thereof
we find proper vouchers produced by the adm^rs
for the items charged in the debit side of the
account except the item charging an account
paid Eliza Williams. Which upon a statement
made to us by the parties, we are clearly of opinion
that the Estate of the intestate is accountable there-
fore and in consequence thereof the Estate stands
charged with it as an item in the accounts of
the administration of the said Estate and after
charging the Estate with the debts in the account,
and allowing the adm^rs amounting to the adm^rs
over for their personal services and expenses
in the administration of the said Estate the sum
of Fifty nine pounds ten shilling we find a
balance due the said Intestate Estate in Pounds
in the hands of the administrators the sum of
£ 1033 19 5¹/₂. Given under our hands this 15th
day of July 1803.
