In obedience to an order to me directed by the W
 court of Lunenburg by I have examined the Guardians acct
 of Washington Maddux vs his ward Frances I Gee and after
 allowing him the amt of his vouchers together with other
 charges which appears in my judgement was plausible and
 necessary for which in the nature of circumstances under which
 they existed it was beyond his power to get vouchers; I have also
 charged Interest on both sides when it was due and after striking a
 balance I find that Frances I Gee is due the said Guardians
 the sum of twenty one dollar and forty cents due the 26th Decr 1836
 which is fully stated in the annexed acct given under my hand
 this 27th Decr 1836
