Lancaster County Commissioners Office 22 January 1851
In execution of an order of the County Court of
Lancaster and upon the application of Hatcher Black
son of Hatcher & Black after notice according to law
I have stated settled and adjusted the account of said Guar-
dian embracing his transactions for the years 1849 & 1850
and find the Guardian indebted to his Ward on the transaction
of 1849 the sum of one hundred & forty one dollars & 46 cents for
the transactions of 1850 the sum of thirty nine dollars &
38 cts making in all the sum of \$180 84 due to the said Ward
on the 25th day of December 1850. Your Commissioners would
also state that the Guardian exceeded in expenditures the year
1849 \$23 54 above the income of the Estate but over the
year 1850 the expenditures did not reach the annual income
by \$39 38 cts so that there still remains of profits in the
hands of the Guardian the sum of \$10 84 cts

Your Commissioners would also state that he
has examined the Bond of said Guardian & find the
Security specially of said Bond amply sufficient
