

1780 As I am in a low estate and expect my time to be
 but short I recommend my soul to God and my body
 to be honestly buried I give to my loving wife the
 whole possession of land lying her life then my
 son George Thomson the upper part which is 50
 acres also the house and the other part to Jacob
 Thomson also my household furniture to my wife
 with all the cattle both and horses and every living
 substance With this acknowledgment this to be my
 last will and testament
