Pursuant to a Decree of the Court of Chancery bearing date the 24th day of November 1795 and another Decree of the same Court dated the 29th day of November 1797 We whose names are hereunto subscribed have stated examined and settled Charles's debt amount of his Executorship of the estate of Robert Daniel due and find a balance of one hundred and thirty two pounds eighteen shillings due from the said Charles to the estate, eighty pounds five shillings and eleven pence is whereof is for interest calculated up to the 30th of June 1798, as appears from the accounts hereto annexed, But Robert Ware one of the Plaintiffs' solicitors has objected to the account as stated by us which at his request we report as follows —

1st That the negro woman Sarah was sold for ready money upon the 20th of Sept. 1795 when there was money in the hands of the Executor and demands

against the estate to make necessary to sell otherwise than upon credit
2^d That Dick was sold upon the 26th October 1786 without having
been advertised and that there was no necessity for selling the said
negro at that time and that the money arising from the sale was
not applied to the use of Robert Daniel's estate —

3^d That the negroes Lucy & Child and Diley was sold upon the 19th
day of November 1789 for ready money and for a greater sum than
is accounted for by the said Charles den and that he afterwards
agreed to take the sum which he has accounted for. And that Mary
who was sold upon the same day was sold for ready money when
the situation of the estate did not make it necessary —

4th That the negro girl Biddy was sold upon the 8th day of December
1787 for ready money when she ought to have been sold upon credit

5th That Celia was sold upon the 18th Jan^y 1790 (without having
been advertised) for ready money

6th That the negroes Joane Edith, Jenny and Betty were sold
upon the 2^d Sept^r 1795 at three fourths of their appraised value to
satisfy Thomas Cook's Execution when the Executor was consider-
ably indebted to the estate —

7th That Rainbow ~~was~~ was sold upon the 26th of Octo 1795 for
ready money to pay the balance of Thomas Cook's Execution
when the Executor was indebted to the estate more than that
balance —
