Now in the hands of the Admt. made
up of the abbl. Detailed in this acct.
on which there is considerable interest
accrued

At the house of Joseph Reymore on the 28th of
July 1818 the undersigned Commissioners being
three of those appointed by an order of Montgomery
July Court 1818 to settle the accounts of
administration of Joseph Reymore on the estate of
Joseph Pepper, deceased. Came in person one of the
said commissioners stated and settled the first part
of this acct. conformably to the papers & vouchers to us
produced by the said Administrator and as find
a balance in his hands and the estate of \$256.22
as stated, which said sum is represented by the admt.
to remain uncollections upon the sale notes and
and upon notes for money loaned at interest

The admt. represented to your Commissioners that
in the management of the debt of the personal estate
of Joseph Pepper and those accruing on the
bequest of Samuel Pepper to his grand daughter
Sally Pepper he had made no distinction
distinction between his transactions was all his
act as admt. In consequence of his transactions
being so blended and the acct. being in some degree
inseparable as your Commissioners believe they have
settled another acct. Certainly not intrusted by the
order of Court under which they act, but which seemed
to them necessary to show in what manner
he had disposed of the estate, and to give a
full view of his doings all together, which if
separated would not be so clearly comprehended
