

David Owens In the name of God Amen I
Pastor I have in health and good mind and memory now and day to mind the uncertainty of this life
to make this my last will and testament hereby my being at other
to the day of my decease and do hereby this to be my Last Will
and Testament. I do commend my soul to Almighty God in hopes of
a resurrection to eternal life through the intercession of Christ the
Saviour of mankind by whom I am enabled to be saved of the agonies
of my sins and who are here to remain. As to the worldly estate
which it is my will and desire that after my decease
shall be divided into two equal parts and disposed of in the
following manner. I do give and bequeath to my daughter
at her full age my first and principal part of my estate
on the North side of the Spring Branch and to extend out to the
back ten acres of land to a tract of fifty acres to the same name
and location and to my son. I do give and bequeath to my
son Arthur another part of my Estate to begin at the mouth of the
creek of my branch and run up the river to the first Shanty at
which the stream makes a bend to leave from the river and run down

to the my heart, and I have been the very best to be in. I will

be sure that I can make my mind to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health

and I will be sure to be in the best of health
