Most humbly sheweth That whereas there hath been

an old, rotten, & dangerous & melting
off of the bridge, The risk to the right of
some ~~undoubtedly~~ The same risk not being met
in Exmouth, so that there is but a rotten plank or 2
left for a bridge. The same brings a high road &
way, & necessary passage for travellers. So that right
of passage must be constituted to get 3 or 4 ~~high~~
wheels, or otherwise both health & life in going out.

Therefore go & do good work for Emancipation for
the public good & do all you can to
help the cause. And to support such radical measures
as may be necessary to the Emancipation effort. - and
