The dog of Mr. J^r Robin taken 10th of March 1854.
 Capt. Eliza being desired to cut Hudson road, even a stop of
 about 10 miles. Admitted the snowing in best part a
 faulty place, & doubtless it was not good finding a bad
 place at 10 miles, looking into it the top & bottom was good
 & a large ground about, so much that was tolerable,
 but not indeed was some of it better. Robert W. thought
 would in a short time come together all the good, but the
 Hudson at it was further from it, so some, but the
 dog was old & very bad. The bad being taken out not worth
 not put it in again.
