Errors Excepted. Isaac Smith

Explanation of the above Account

Isaac Smith, as surviving Partner of Eyre Bowdoin & Smith and of Bowdoin Eyre & Smith, — And surviving Acting Ex°. of Seven Eyre dec°. — as also principal Acting Executor of John Bowdoin dec°d., has undertaken to Settle the partnership of Eyre & Bowdoin, and of Eyre Bowdoin & Smith; and hath done it agreeable to the within Account, which appears to him is right so far as the debts have been Collected. — The several Charges made in the Account within, as well as the Credits, were made under the direction of John Bowdoin in his lifetime, a few in the latter part excepted, and the whole Transactions may be found on Eyre Bowdoin & Smiths & Bowdoin Eyre & Smiths books.

It may be observed that the Estate of L. Eyre is only Charged with £1000. of the £2000. Given by Will to his Grandson Preeson Bowdoin, but L. Eyre is charged with the other £1000. in E. & B°. Books, as so much p°. Archibald Cary for £500 & £500. in two

Bonds

Bonds pay.ᵃ to L. E.ᵉ Exᵒʳ for the use of Preeson Bowdoin and has been since recᵈ. and stands to Credit of Sᵈ. P. Bowdoin wᵗʰ the Interest in Accᵗ on B. Eyre & Smiths Books. — The £2000. to Litt. Margᵗ. Severn & John Eyre stands to their Credᵗ. on sᵈ books. and the balance of the Adminᵒ. Accᵗ. £1583. 18. 1½. is carried to Credit of Estate of Severn Eyre as Residuary Legatee.

I have been thus particular, because the several Partnerships are exceedingly complicated and do not expect to live to see the debts Collected.

Isaac Smith

In Obedience to an order of Northampton Court to us directed bearing date the 10ᵗʰ. day of April Instᵗ, We have examined the within Accᵗ & find the same free from Error Given under our hands this 11ᵗʰ. day of April 1781.

William Floyd
Bowdoin Kendall
Geo. Savage

At a Court held for Northampton County the 11ᵗʰ. day of April 1781
This Settlement of the Estate of Littleton Eyre decᵈ. was returned and sworn to by Isaac Smith his Exᵒʳ & ordered to be Recorded.

Jan.y 11. By Specie divided among the 3 Partners 7th May 1779. £89. each, consisting of dollars & parts of dollars @ 6/. small silver by weight, half Joes at 48/. Guineas @ 26/. other gold by weight. — Say Specie ... £89. 0. 0
due estate of John Bowdoin £89. 0. 0 £294. 12. 10½

N.B. On the 19th of January 1780. I took out of the above Specie £50. 12. 6 to pay Samuel Denny for Land, which is on Interest from that date till replaced. The balance £38. 7. 6 is now in my hands and to be Accounted for (the danger of Enemy, Fire & Robbers Excepted)

There are several outstanding Accots due the Estate as will appear by J. B.s small velam Covered private Acct book now in my posession. The said book also discovers A Bond due the said Estate from Edmund Glanville for £350. which appears to have been given (for I never came a cross the Bond) the 25th october 1771. because Mr. Bowdoins first charge for Interest on said Bond in his private book aforesaid is in these words "To 1 years Interest on your "Bond from 25th October 1771. to 25th Oct.r 1772." and On the 15th October 1778. I received Interest on said Bond up to 25th October 1778. and noted that the Bond was not paid and which Mr. Glanville said he could not then pay; since which I have had no transaction with him. see the 2.d page of Credits in this Acct near the bottom, under date 15th October 1778.
