Pro. d. — Tho^s. Lyle, Savings etc

I William Friend of the Hampton family calling to mind the uncertainty
 of Life do make this my last will & testament in manner following.
 In the first place my Will is that all my just Debts should be paid out of
 the debts due me & sale of the Goods I have in my Store at Bridge Town
 recommending to my Executors and Executor to continue to retail the Goods
 so long as the profits which can be got more than they probably will net for
 at Public Sale will pay the expence according to their Judgment, taking care
 to sell for ready Cash or to such persons as are of good Credit and then sell
 the balance at public Sale or by private bargain for the whole Balance if
 first cost can be got on six months credit. If that shall not be sufficient
 I leave the Store House & Lotts at Bridge Town to be sold by my Executors, Son or
 assigns either at Public or private Sale and if my Debts should require
 the sale of more property I leave it discretionary in my Son or Son to sell any
 of my Property either real or personal either at public or private Sale for
 that purpose and my Will is that my Estate should be advanced but not
 sold unless debts require it or my wife chooses it sold. I give to my wife
 in lieu of Dower one third part of my Estate real & personal during her Life.
 I give the rest of my Estate to be divided between my Daughter Mary Russell
 head and the child with which my wife is now pregnant in the proportion
 following. If the child with which my wife is now pregnant should be a son
 the Estate given my Children to be divided in the proportion of three to two
 the son to have three parts & the Daughter two and if the child unborn should
 be a Daughter the Estate to be equally divided between them which Gift to
 my Children I give to them & their heirs forever. The third part of my
 Estate given to my wife during Life I give after her Death to my Children
 in the same manner as the Gift above. My meaning is in leaving my
 Estate to be appraised & not sold that my wife should take my Childrens
 part of the personal property and be accountable to them for the appraised
 value unless she chooses to have any part of it sold.

Lastly I appoint my wife, Executors and my friend William
