In the first place I give my soul to Almighty God from whence it came, and my body to be decently buried, and for what worldly goods it has pleased God to give me, I give as followeth to wit,

Item. In the first place I lend the use of my plantation containing four hundred acres, more or less to my Son William Christian for ever, and if he should offer it for sale ever, or dispose of himself of the said Land by any means whatsoever in his life time, or die under age, or without issue lawfully begotten of his body, I then give it to my next oldest Son living, or if they should be both Dead to my Daughter Margaret Christian forever. I also give unto my Son William my Negro Woman Bet and Bendas, two large looking glasses, one green pine Sabbath, one pair of silver shoe buckles, one pair of gold sleeve buttons marked W.C. and all my wearing apparel as the Land was lent him.

Item. I give unto my Daughter Margaret Christian the following Negroes that is to say Sam, Labrah, Nanny, Leah and George, one Mahogany Case of Drawers, one Large Church Bible, one pair of silver shoe buckles that was her Mother's one pair gold sleeve Buttons marked C.C. and all her Mother's Livery to her forever.

Item. I give to my Sons John Christian and George C. Christian all the rest of my Estate taking out two thirds of the rent of the Land until my Son William comes to Lawful age for them not before given to them for ever,

if my son John should inherit the Land over, my will is then that his estate given here, should go to my son George E. Christian and continue down so until it comes to Margaret; My will is also the money arising from the Estate of Edward Her deed belonging to me, or my children should go towards paying my Just debt, of, if that will not do, to take so much of my personal property as will discharge them; If either of my children William or Margaret should refuse letting that money of Edward's deed go as I have directed it to go, my will and meaning is that they shall never inherit but one shilling or piece of my estate both real & personal, and that my sons John and George Edward should have the whole of my estate, that is John the Land and George Edward the rest of my estate for ever.

My desire is that my friend George Her should take my son William Christian and his estate, the care of them until he comes to Lawful age, and bring him up agreeable to his Rank and Circumstances.

I also desire my friend John S. Her to take my son John Christian and his estate, and bring him up until he comes to Lawful age agreeable to his Rank and Circumstances.
