June .. By m Lamkin bond you recd ..

Agreeable to an order of the worshipful court of north
 bearing date 11th June 1810. We the subscribers hath
 met and examined the acct of Saml Barnes Senr
 with his ward Peter m Barnes as will appear from
 the within statement and find a balance of
 Twenty Six pounds One shilling and ten pence
 from sd Samuel to his above named ward.

It appearing to us that his said ward were
 young and in our opinion could not have
 been bound out until 1808 since which time
 has been sent to school we therefore think
 it reasonable that a part of the principal

of a bond which was due from M. Larnkin should make up the balance; as his annual income were not sufficient — But if the law in no case allows guardians to use any part of the principal of their wards. — We then find the aforesaid Saml Barnes Senr indebted to his above named ward Forty pounds Eleven shillings and Six pence 7th July 1810 —
