Pursuant to an order of the worshipful County Court
 of Northumberland bearing date 13th January 1823 directing
 that I should examine state and settle Richard Mitchell's

Lansdell, I have complied as may be seen in the foregoing, I have closed every several years account showing the balance, I find that the amount is supported with sufficient vouchers where it was practicable but in case (which frequently occurs) where the Guardian furnished the wards clothing manufactured in his own family those charges were such as appeared necessary, and at a price quite reasonable I find, that at the close of the year 1822 after the credits given the amount which were due the first day of January 1823. that the sum of Thirteen dollars & sixteen cents is due the wards, but the Guardian has to pay me a fee of Ten dollars for my services, then the balance in favor of the wards is three dollars & sixteen cents, and beg leave to report

Spencer George M^ll^e.

May 1823.

I state specially that the settlement took place in the presence of John M. Lansdell, he said that he was eighteen years of age, he made no objection to any part of the said account materially, and to the charges for the board of Sixty dollars per year for each, I think the whole account fair and reasonable and could not agree to make the change suggested by the said John M. Lansdell -

Spencer George M^ll^e.

By virtue of an order of the Worshipful Court of Northumberland County, dated the 9th day of Sept. 1822, Referring to the undersigned the settlement of Steptoe Taylors account of his Guardianship of William B. Davenport his ward. I have attended at Northumberland Courthouse on the day of November last & then & there in the presence of William Jeff the present Guardian of William B. Davenport, and Steptoe Taylor the late Guardian, and from the examination of sundry witnesses which I had summoned to attend before me to give evidence, and from their examination on oath, I have made up stated, and settled the foregoing account of Steptoe Taylor's Guardianship of William B. Davenport and from such examination & settlement there appears to be a balance of Seven hundred & Thirteen dollars & Fifteen cents. with interest thereon to be computed after the rate of Six p^{cts} p^{ann} from the first day of December 1822. till paid, from the said Steptoe Taylor to his late ward William B. Davenport, and I think it proper to remark that in making up this account, where the property have been publicly hired out, I have taken the price at which they hired as the proper criterion & have uniformly been governed accordingly and where that was not the case (as in a great many instances it was) I have gotten the value from the testimony of disinterested witnesses & from my own judgment and views as to their relative value for those years. all which I respectfully report. Given under my hand this 2^o December 1822

W. Raughton Master Comr.

Northumberland County, bearing date the 13th day of October 1823. directing the undersigned to amend his report of the settlement of Steptoe Taylor's Guardianship of William B. Davenport. I have this day at Northumberland Courthouse, & proceeded to amend the report in this: that it appears to your Commissioners by an account furnished by the said Steptoe Taylor at the time of the settlement of the Guardianship aforesaid that the said Steptoe Taylor had sold a negro man James, the property of his ward the said William B. Davenport for Four hundred dollars, which however your Commissioners did not think proper to bring into the account on the ground that the said Guardian had no right to sell the slave of his said ward, and therefore that it ought not to appear among his rightful transactions as Guardian, all of which I respectfully report. Given under my hand this 12th day of January 1824.
