Agreeable to an order of the Worshipful Council of M^{rs} [unclear]
dated the 1st of this Month appointing us, we make report of the
conveniences and inconveniences attending the Establishment
of a road from the House head near M^r Nelms to the landing opposite
to the House of M^r David Galloway Merchant we have this day met &
Examined the same.

The advantage to every person on the side of the river is obvious
we shall not therefore say anything to show that it is a but intended
to satisfy the Court as we have fully satisfied ourselves of the
damage sustained by Individuals by the Establishment of

A Road from the High way leading to Northumberland Court

at perpendicular the base 37 Yards the space included in
this Triangle is the side of the hill of very small value from

Yards and makes a Triangle similar to the former the Ground
included in it of as little value as the former so that upon the
whole we think the Damage M^r Galloway (the only one
who can make the Smallest objection) will sustain is very
