Lottsburg  
Vote on Road Scheme

May 24<sup>th</sup> 1892

To the Hon. Comy Court of Northumberland County

The undersigned Surveyor of Road in pursuance of law  
~~reports~~ reports that he has not received any money by virtue of his  
office for the year 1880. and has expended no money on his road.  
He had some ditching done but that has been paid by the Comy  
to the party performing the work, he has worked his hands two  
days on the road and used team & plow & cart two days,  
he thinks <sup>during</sup> the ensuing year his road should be ditched in  
several places which will probably cost about five dollars  
and that there is a gully in his road near Burgess Mill  
which should be filled <sup>up</sup> in order to insure the safety of  
travelers on the same, or some thing in the way of repairs should  
be done to make it safe. he thinks the cost could not be  
over. Twenty dollars if that much.

All of which is respectfully submitted Given under my  
hand this 14<sup>th</sup> day of March 1881.

Lawson C. Jones,

Report of Lauren C. Jones  
as Surveyor of Roads

March term 1881

To the Hon. County Court of Northumberland County  
The undersigned Survey of Road in Heathsville Magd. district  
woud report that he has received no money by virtue of his  
office for the past year of 1880, during said year he and his  
hands worked the road two days, and he employed a Cart  
& team one day, for which a separate account is herewith  
presented, there ought to be something done with hill on  
my road at Coan ware house. I think it woud be greatly  
improved by putting Oyster Shells upon it, it might be  
improved by the use of poles, which woud not probably cost  
over \$20. —

Vote on Road Scheme

May 24<sup>th</sup> 1892

To the Hon. Comy Court of Northumberland County

The undersigned Surveyor of Road in pursuance of law  
~~reports~~ reports that he has not received any money by virtue of his  
office for the year 1880. and has expended no money on his road.  
He had some ditching done but that has been paid by the Comy  
to the party performing the work, he has worked his hands two  
days on the road and used team & plow & cart two days,  
he thinks <sup>during</sup> the ensuing year his road should be ditched in  
several places which will probably cost about five dollars  
and that there is a gully in his road near Burgess Mill  
which should be filled <sup>up</sup> in order to insure the safety of  
travelers on the same, or some thing in the way of repairs should  
be done to make it safe. he thinks the cost could not be

Report of Lauren C. Jones  
as Surveyor of Roads

March term 1881

To the Hon. County Court of Northumberland County  
The undersigned Survey of Road in Heathsville Magd. district  
woud report that he has received no money by virtue of his  
office for the past year of 1880, during said year he and his  
hands worked the road two days, and he employed a Cart  
& team one day, for which a separate account is herewith  
presented, there ought to be something done with hie on  
my road at Coan ware house. I think it woud be greatly  
improved by putting Oyster Shells upon it, it might be  
improved by the use of poles, which woud not probably cost  
over \$20. —
