In The name of God Amen I Richard Graves of the county of Orange and Colony of Virginia do recommend my soul to the God who gave it and my body to be buried in a decent and Christian like manner at the discretion of my Executors hereafter named I being at present in a weak low State of health but of sound and perfect mind and memory (Blessed be God) do make and ordain this my last will and Testament in manner and form following (That is to say) I will that all such debts as I shall lawfully owe at the time of my death and my Funeral charges and expences be in the first place paid by my Executors And as to my Estate both real and personal I dispose thereof as follows. I Inheritis, I give unto my son William Graves one negro named Hannah to him and his heirs or assigns for ever. I give unto my son Thomas Graves Two young negroes named Nancy and Ruben to him and his heirs or assigns for ever.

I give unto my Daughter Ann Tooshee one negro named Joe to her and her heirs or assigns for ever.

I give unto my Daughter Susannah Morris one negro named Betty to her and her heirs or assigns for ever.

I give unto my ~~son~~ Daughter Sarah Graves one negro named Figg and also one good Feather bed and furniture and one horse bridle and Saddle to be raised out of my Estate to her the heirs & assigns for ever.

I give unto my Daughter Lydia Graves one negro named Pleasant and also one good feather bed and furniture and horse bridle and Saddle to be raised as above to her and her heirs and assigns for ever.

I give unto my Daughter Joannah Graves one negro named Lucy and one good bed and furniture and one horse bridle and Saddle to be raised as above to her and her heirs or assigns for ever.

Nevertheless it is my will and desire that if any of the above Legacies should die before such time that the division of my estate is, that then shall be another negro given to such Legatee out of my estate of the same value as that was at the time of its death (And also) it is my will and desire that if either of my said

Children die before that they come to age or marry, that the Legacy given shall return to the body of my Estate again. And should any of my ^{d.} Children die after such division and leave no heir of their body (in that case) their wife or husband shall not be intitled to any other part of my Estate only that of the Legacy.

I lend unto my beloved wife Sussannah Graves the Tract of Land I now live on purchased of M^r. James Robt during her natural life and also the whole of my moveable Estate of Everykind down not before devised to support her children on, without any charge against my younger Children and also to School my two youngest James and Joannah. It is also will and desire that the Tract of Land that I purchased of Edward Watts be kept with the body of my Estate until such time that the Tract of Land that I now live on is paid for ^{by the} crops made by the same left unto my said wife And then it shall and may be at the discretion of my Executors to rent the whole of my Lands in Orange county except the Tract allotted for my said wife to support my four youngest Children on, should they not be married before the death of my ^{d.} Wife, and that my desire is that if my ^{d.} Son Thomas do think proper to live on the plantation for a better Convenience ~~of the same~~ to take care of his younger sisters, (wile) or other wise to use his discretion and at such time that my ^{d.} Daughters are married or so taken care off as not to need that support that then I desire the lands may be sold & the money divided amongst all my Surviving Children or their heirs

Further I add and give unto son James Graves a Tract of Land lying in the Kentucky near the place known by the name of Boons Station if recovered, and likewise I give unto my two sons William & Thomas the balance of my Lands in that country Equally when obtained And at the death of my ^{d.} my will and desire is that the whole of my Slaves be Equally divided amongst my ^{d.} Children (or the heirs) should either of them die before a division by a fair and Equal Lot, and the Land shall & do be sold and Equally divided as above.

Lastly I do hereby constitute and appoint William and Thomas Graves and Thornton Foshee my executors to this my last will and testament here by publishing and making null and void all
