Pursuant to an Order of the county court of Orange, Ala the undersubscribed have examined the accounts and Vouchers to us produced of the executorship of William Bell deceased for the estate of William Monroe deceased, and are of opinion that the said William Bell at the time of his death to wit, 5th March 1800 was indebted to the estate of said Monroe £139. 2. 3¹/₄ balance of principal and £356. 3. 8¹/₂ balance of Interest as per statements herewith annexed - It also appears to us by an account rendered 6th February 1799 signed Richard Bruer and John Bay, who were appointed by the court of Orange to settle the accounts of said Bell with said Monroes estate, that at that time they had Vouchers which was with the account lodged in the Office for disbursements to the amount of £39. 3. 8³/₄ more than appeared to us - and from the confused state in which they were found in the Office think it probable the Vouchers to that amount might have been lost there - We are also of opinion that the sum of Sixty three pounds be allowed the executor for trouble and expense.
