By your proposition of the value of the slaves of the estate \$315 " "

In obedience to an order of Orange County Court bearing date the 15th January 1808 we have divided the slaves of the estate of James and Lucy Frazer decd between their orphan children Wm and James, as will appear by the accounts above stated. There is an old woman named Minnie who we at present think of no value and will probably become a charge shortly, if so we think she ought to be jointly maintained out of the estates of Wm and James - The two guardians of the said William and James state to us, that they have seen of £24. 17s 6d each in their hands, being the balance of the personal estate of Lucy Frazer decd due at the settlement of the administration account of her estate. Given under our hands the 16th Sept 1809

Be it known that I William Lee of the County of Orange being advanced in years and weak in body but of sound mind and memory and having my end in mind do make and declare this to be my last will and testament in the form following viz¹ It is my will and desire that my wife Sarah and my sons William and Charles may serve as executors of my will. 2^d It is my desire that my wife Sarah shall possess and enjoy during her life after my decease my plantation stock of horses cattle &c and household and kitchen furniture excepting that if any of my children shall get married during her life that she will give unto them such of such value as I have given unto those of my children which are married and that whatever debts I may owe shall be paid out of my estate. 3^d It is my desire that my son John continue to possess and enjoy that part of my land which he now occupies beginning at the branch and running to the west line of my tract of land. 4th It is my desire that after the death of my wife the balance of my land may be equally divided among my sons William Charles Nathaniel Joseph and James. John being supposed in possession of his proportion and that after my

sons may then have a full title and right to convey the same to their heirs or assigns. 3^d It is my desire that after the decease of my wife all the movables then in her possession be sold and the proceeds thereof so divided that my daughters Elizabeth (now Elizabeth Sambrley) Mary and Poley may have as much value as my sons so that all my children may inherit from me as near an equal portion of my estate as the nature thereof can & may admit. In Witness whereof being my last will I have this 28th day of August 1810 affixed my name.

✓ Be it remembered that I John Willis of the County of Orange and State of Virginia do make and constitute this my last will and testament in manner followeth. In witness whereof I direct that my executors hereinafter mentioned shall sell the negroes below named on a credit not less than one year or more than two years their taking bonds with sufficient securities and it is my will that they be sold in families so as the mother and husband and all the children under ten years of age may be sold together, but all that are over ten years are to be sold for the best price that can be obtained whether single or in families. It is my will that my executors do not proceed to sell the negroes in less than one year but that they shall be sold in two years after my decease their names as follows. Amy, Matilda, Eliza, Betty, Asaph, James, Pamela, Ester, Charity, Anna, Sarah, Elizabeth, Lucy, Henry, Joe, Hannah (called Caroline), Charlotte, Dudley, Sally, Montem, Ben, Country, Catty, Wilcox, Fatty, Albert, Henry (Beck, William, Thornton, Crook, Pinckon, Stewart, Bastian, Kit, Kolia, Jacob, John, Cecilia, Henry, Jonathan, Paullett, Lucy (called Lilla) and her child, Molly, Carpenters, Billy and Pringlefield, Hannah (called Trugbitt), Jim (called Victor), and Eliza being forty nine in number, with their increase I leave to my sister Maria Willis the sum of forty dollars and to my sister Mary Willis the sum of sixty dollars each pro-rata to be paid to

them during the period they remain single and to cease on their marriage,
 but this legacy is to be complied with upon the sole condition that they
 relinquish all and every pretended claim which they may be induced to set
 up against me on account of my administration of my father's estate
 which has been administered to the best interest of the creditors and legatees
 as will appear from reference had to the Settlement of my administration
 accounts at different times in the County of Chester and lastly on the day of
 May 1808. I leave to my sister Mary three negroes that are now in
 Chester viz George, Sally and John the children of Bady which I bought at
 the Sheriff's sale, on the like conditions as above mentioned, and these conditions
 are made from full persuasion that designing and insidious persons have
 attempted from the most malicious motives to impute on their minds beliefs
 that ample justice has not been done them; I also assure that they may be
 released from any claim I may have against them in open accounts. Then
 I leave to my wife, during the period she remains single for the support
 of her herself and children the whole net proceeds of my estate (after deducting
 the legacies as above) whether arising from rents of property in the City of Chester
 or rents of any other property I may possess now or hereafter, or from lands or
 negroes the whole of which proceeds she is to receive and to dispose of as she
 thinks proper so long as she remains single, but in case she marries then the
 whole proceeds from that time to go into the hands of my executors for the
 support and education of my children, and when they come of age the whole
 property to be equally divided between them, but if my wife remains single
 then my children to have no part of the property during her life but at her
 death or my eldest son coming of age or my daughter marrying the whole of
 my property real and personal in this State or elsewhere to be equally divided
 among them. Now I do constitute and appoint my friends Charles F. Howard,
 Robert Taylor Esq. James Madison Esq. John Taylor Esq. and Thomas Ingham
 executors, and my wife. Kelly & Little executors of this my last will and
 testament, and from the unlimited confidence I repose in the above persons
 I request that the Court may not require of them security for the duties
 hereby enjoined in them. Now It is my will if my wife should wish to

retain any of the negroes within named that sh^d it is to have the privilege of choosing any number not exceeding four. Item. My will is that as soon as the bonds are taken for the negroes hereby directed to be sold they shall be reported in the hands of Robert Taylor Esq. for collection, and as soon as the monies collected or any part thereof shall it shall be invested in Stock of the Bank of Virginia and the interest arising thereon to be delivered to my wife and be subject to be disposed of as before directed, and for the welfare of my family, I must request those Gentlemen named as executors to take upon themselves the responsibility which will not be attended with much trouble and expense particularly of my wife to do so likewise, and I request them to receive as an equivalent therefor six fifths in the appraisement of my personal property to be divided among them or such as may take upon themselves the execution thereof.
