First of all it is my desire that all my just debts be paid, and the same now growing and those hereafter to be made to be appropriated to that purpose. In as much as I have heretofore given to my son Benjamin Cave one half of the two tracts of land I held in Madison County which is recorded to him in the Court of said County, I also give and bequeath to him his heirs and assigns forever the other half of the said two tracts of land upon his paying to my estate the sum of four hundred and fifty pounds one half of which he is to pay on the first day of October 1811 and the other half twelve months thereafter, which is also to go towards the payment of my debts if required. which said land I purchased of my Father and my brother Benjamin Cave and my said son Benjamin Cave is to have possession of the same immediately after my decease. I give and bequeath unto my sons Joseph and Philip Cave all the lands I purchased of the Darnalls, Blunts and Rogers including the mills but they are not to have possession of the same until the expiration of eight years from the date of this my will, then to be to them their heirs and assigns forever. I lend to my wife Mildred Cave the land wherein I now live and two other tracts adjoining (it being the remainder of my lands) during her life or widowhood and after her decease or marriage I give and bequeath the same to my two sons Hudson and Belfield Cave to be equally divided between them, to them their heirs or assigns forever. It is my will that all my estate both real and personal and mills in this County be kept together under the management of my wife and executor during the said term of

that much more than my said daughter Elizabeth Sherson in order to
make them all equal. I hereby appoint my son Benjamin have executor of
