The Ex^{rs} his Nicholas Jager & Andrew Jager

John Carpenter Brother and Heir at Law of William Carpenter Dec^d.

objects against ~~the~~ Drowing the Writing Said to be the Will of thos^d.

William Carpenter for the Reasons following first that this Writing was
made at the Imperfinitude and by the Conspirations of one Catherine Proctor
the Devised in remainder in thos^d Will named secondly for that thos^d William
Carpenter was not of Disposing mind and Memory at the time of making
thos^d Writing

Thirdly that he never Published thos^d Writing to be his last Will & Testament

Rich^d Burdys aged fifty years and upwards being sworn saith

That on the fourth Day of October 1745 John Carpenter came to this
Deponent where he was at Work and told him his Brother W^m Carpenter was
tricked with a Horse or mare and was very ill and had sent him to the Deponent
for to come and write his Will on which the Deponent went to thos^d W^m Carpenters
and found him in great Pain appeared by his Sighs and groans and could not rest
long in one Place and was supported by his wife who was sometimes in the Chamber
stood twice out but chiefly out of the Room but chiefly by one Cath^r Proctor
who lived in thos^d William Carpenters Family and was reputed his Wife by thos^d
Persons thos^d Deponent saith that he verily believes thos^d W^m Carpenter was in
his Perfect senses and at his request this Deponent wrote his Will as he
Directed from his own Mouth until he came to that Part where an negro
is devised to his Brother John and seeing that no Person was present

for him this Depont. I. W. you must take notice as you are going to appear before
the God of all souls, do justice to your own flesh and blood upon which after some
consideration he. my poor brother John who has been with me in my travels
& Distresses & came into this Country with me I will give him a young Negro on which
Catherine Proctor said which must be have, the Deponant said It was not Right
to set down the name of the Negro for fear he should die before the Estate was settled
on which W. Carpenter told him the Deponant to set down a young Negro (without naming
his name) for his brother John Carpenter, and thereupon this Deponant wrote the
Devised relating to his brother John Carpenter, this Depont. saith that when Cath
Proctor spoke to W. Carpenter to know which Negro John Carpenter was to have the
W. Carpenter seemed to be angry with her, and that after the will was wrote this Depont.
Read the same to him, he said all was Right and then sealed and signed it and Declared
It to be his last Will and Testament, which is the same paper as is now produced in Court
and Devised this Deponant to witness it which this Deponant did and at the
Request of the. William Carpenter, called John Floyd (the other witness to the Will)
out of another Room and the. Carpenter told him it was his last Will and thereupon
Floyd did sign this Will as a witness, that after the Will was signed & witnessed
the said William Carpenter told this Deponant to set down Nicholas Gager & Andrew
Gager his Es. which the Deponant did at the Bottom of the Will, but does not remember
whether the. John Floyd was Present and the. W. Carpenter did not Publish again
after the Es. was named, and afterwards William Carpenter asked what he must
pay this Depont. for his trouble who told him if he pleased he might give him
fifteen Pence and thereupon the. Carpenter called for his purse which was brought
him by the. Cath Proctor and looked out the however Piskeren / asked thought / and
asked the Deponant if that would satisfy him who answered yes and took the money
and that the. Carpenter made the Letter W C himself & that he does not
Remember who it was that wrote the Name William Carpenter his Mark
is the. W C and that he did not see any one have a Pen and Ink but the.
Carpenter and John Floyd and himself and that the Will was Delivered to
Catherine Proctor with out being Inclosed and sealed up and that John Floyd
had been Drinking but did not appear to be Drunk nor did he know it was usual
for him to get Drunk and further saith not
Richard Burdys

John Floyd aged forty years or thereabouts being sworn saith that he went
with Richard Burdys to William Carpenters House where he found the.
Carpenter in a Dangerous Condition about whom he saw Catherine Proctor
hanging seeming to be very much Concerned at the. Carpenters Condition
and some time after he with several others were Desired to go out of the Room
which they did leaving Catherine Proctor & Rich Burdys with him

97
and that Elizabeth the^d. Carpenter's wife was some times in and some times
out but very seldom in the Room and some time after he was called in again
and was desired to sign a Paper which he saw lying on the the Table before
them and this Deponent required the^d. Carpenter to tell him what it was
and he refused to Inform him about it saying It was no occasion to hear what
was in it upon which he this Deponent signed it with his own Hand after which
he saw the above named Catherine Proctor Put the^d. Writing and a Purse
into a Chest which she locked and put the Key in her Pocket and that at the
same time Eliz^a. the wife of the^d. W^m. Carpenter was sometimes in the Room
with them and some times out but that she was very seldom in the Room
and that the Mark to his name which is subscribed to the Will produced is not
the Mark he usually makes use of and that he does not know whether the
Paper Produced was the same he signed and that he had Drank Spirit at
the House but was not Drunk neither does he Use to get Drunk
and that this Deponent Can't write and further saith not, &c.
