I have examined stated and reported the annual accounts. The items for disbursements are sustained by proper vouchers. The provisions of the code in relation to postage on the court house door have been complied with. The guardians bond is in a penalty and with ample security. The age and condition of the ward seem to allow a resort to the principal of his estate to meet the excess of disbursements over profits of mespary. But it appears that the guardian holds ample bonds for hires to meet such excess.

So changed in age.

Prince Edward Ct. March 15th 1852. To the County Court of
Prince Edward. Your com^r respectfully reports, that Isham
Gilliam has laid before this com^r a statement of his disburse-
ments as guardian of his wards, Thomas, Clementine and Isham
Gilliam, and after having advised as required by Law
that the said account was before me, and more than 10 days
having elapsed, I have proceeded to state, settle and herewith
report the said account, showing a balance due the said g^d
on the 1st day of January 1852, of \$438.54 of which \$379.83 is
principal and \$58.71 is interest. I admit further to state that
the said Isham (the grandfather of these wards) was the exor.
of their father and no proper guardian having qualified for
the children till the year 1850 he acted in that capacity in
paying their expenses &c but received no funds belonging to them
In 1850 he qualified as guardian of Thomas & Isham a con-
trovery is still pending as to the guardianship of Clementine

between the said Isham Gilliam and Chas. J. Fore. —
I have also examined at the clerk's office & find that
the said guardian has given bond with Mrs. J. Gilliam
and Chas. W. Gilliam as sureties. I know nothing of their
sufficiency, ^{or insolvency} as sureties on such a bond.

Respectfully Submitted.
