M. Harrison Jr Adm^r of Bur^r Harrison dec^d
May the 1st 1797.

Pursuant to the order of the Worshipful Court of Prince William; We the subscribers, have stated, settled and examined the preceding account, with Matthew Harrison Jr Adm^r of Bur^r Harrison dec^d and we find proper vouchers for the several debts and credits contained therein, except as to the charges for advertising and carrying the sale, and the liquor drunk thereat which we have thought fit to allow, because from the nature of the charges, we have considered them reasonable: The commission charged, we do not think proper to decide on, judging it best to refer the same to the Court.

At a Court held for Prince William County the 1st day
of May 1797.

Thomas W. Ballendine's nuncupative Will being
offered to the Court for proof, and it appearing to the court by the return of
the Sheriff, that Thomas Blackburn had been legally summoned, & by
the affidavit of ^{Matthew Ligonier that} Alice Elzey had been notified of the said summons, &
the said Blackburn and Elzey being solemnly called and failing to ap-
pear, and the said will being proved according to law by the oaths of
Jesse Ewell and Charlotte Ewell in these words, to wit:—"Mr. Thomas
"Wm. Ballendine, perfectly in his senses, when he found he was near
"his end, called to me and told me, that he had papers or bonds for more
"than would pay his debts, there would be a balance; I asked him
"who he desired should have it; he answered, his Mother-in-law and
"sister: I considered myself requested by him to endow that his mother
"in law and sister should receive that balance: he then said something
"about his horse, but I did not understand what. He afterwards said he
"had a list of debts he owed, but it was not accurate; he said he had
"desired Mr. Harrison to pay two of his debts; I asked him if they were
"right; he answered, yes. He did not speak afterwards, except as to the
"place where he should be buried.. Jesse Ewell- 3^d April 1797." Words

In obedience to an order of the Court of this County, we have examined the Estate acc^t of Isaac Money as within stated by the Administratrix, and find proper vouchers for every charge therein contained, and are of opinion that the commission therein stated is reasonable, there being upon the whole a balance due by the Adm^o of Three pounds, six shillings and four pence, and one of the children of the dec^d who has not yet received any proportion of the said Estate, by which it appears that an over proportion has been paid to the other claimants: Certified under our hands the 2^d May 1797.

In obedience to an order of Justice W^m County Court to us directed Pursuants annexed

we find from the vouchers and exhibits produced that the within account is a Statement of the profits and increase of the Estate of Thomas Faulkner Dec^d in the hands of John Moose the Executor of Said Faulkner. We also find that the first item in the acct. of £128.16. is stated to be due in the year 1779 as it does not appear when this sum came into the hands of the Executor we did not think we were authorised to make any alterations in the Sealing it. — We also find the Exec^r has been in the habit of receiving quantities of Tobacco, papers money & Specie from the year 1779 to 1798 which has been accumulating annually and (except the small sums on the Credit side) have remained in his hands without Interest. We Lastly find that agreeably to the within acct. the Exec^r stands indebted to the Estate of Thomas Faulkner Dec^d (exclusive of Interest) the sum of £347.17. — Certified under our hands this 10th Day of May 1798
