admitted to

Court 1814.

In the name of God, Amen. I, Maryann Harrison do make and ordain this my last will and testament I desire all my just debts to be paid I bequeath to my granddaughter Maryann Herford my negro boy David and I desire that the same boy may by my executor hereafter named be bound out to have such trade as my said executor may think his genius and ability best adapted to and that when he acquires his trade he may be delivered to my said granddaughter.

I bequeath to my daughter Maryann Dade the use of all my other slaves for three years subject to the payment of thirty six pounds to my son Matthew Harrison for a chair given her and in case my said daughter Maryann Dade should survive three years or leave issue then I bequeath to my said daughter or her issue as the case may be all my other slaves as of^d. My son in law Dade is a man of merit & his conduct to me requires an apology for making this limitation and as such I say nothing but the nady circumstances of my daughter Catharine & the easy circumstances in which he is would induce me to make the limitation.

In case my daughter Maryann Dade should die without issue before the expiration of three years I desire that all my slaves except the said David be sold to such masters as they may choose provided they will give as much as the appraisement and the monies arising therefrom paid to my daughter Ann Catharine Herford. I have lately purchased a lottery ticket in case the same should draw a prize I desire that my executor will dispose of the proceeds among my two daughters in such manner and proportion as his discretion may direct him. The residue of my estate I bequeath to my Daughter Ann Catharine Herford.

I appoint and constitute my son Matthew Harrison my executor of this my last will and testament expecting he will charge no commission & nothing more than for monies advanced for necessary expences. I request my son Matthew to purchase a pair of earrings and present them to my granddaughter Maria Harrison as a small remembrance of my impressions of her affectionate & dutiful conduct towards me. In Testimony whereof I have subscribed my name and affixed my seal this 4th November in the year of our Lord 1803.

Sophia C. M. Bullitts Will.

Sophia C. M.
Bullitts wife

As I esteem it the duty of every individual to make such arrangements of his temporal concerns as may spare the survivors those difficulties and altercations that may otherwise arise, I mean with divine assistance to specify the manner in which I design my property to be disposed of after my decease; and I appoint my esteemed friends William Barnes and John Macrae executors of this my last will and testament. My proportion of the Kentucky land I bequeath to be equally divided between my sisters Frances Garard, Sarah Barnes, and Helen Huie, excepting a small legacy of Fifty Acres to my negroe boy Frederick, which fifty acres are to be of equal quality with my sisters portion. My negroes David, Antony, Joan and her son Frederick I will should be emancipated after one years servitude from the time of my death during which year I desire that they may be hired out and the money arising from said hire must be appropriated to the payment of my debts. The legacy of five hundred pounds the greatest part of which is yet due me from my fathers estate I direct to be equally divided between my sisters before mentioned after the following legacies are deducted Viz. Fifty pounds to my niece Sophia Bullitt Garard, one hundred dollars to be appropriated to the education of poor children to be delivered in the hands of my esteemed friend Elizabeth Mason ten pounds to my friend and brother Thomas James Bullitt to purchase a mourning ring which I request him to accept as a small proof of my friendship and gratitude, I bequeath the same sum for the same purpose to my friend Lewis Hue Girardin. My house and lot I bequeath to my niece Helen Scott Huie, but if the hire of the negroes during one year from the time of my death is not sufficient to indemnify my Creditors it must be rented out until all my debts are paid. One of my lots in Newport I give to my niece Ann Foster Huie and the other to my niece Mary Barnes which each party is to receive by casting lots. Five guineas which were devised to me by my father in his will I bequeath to my Nephew Thomas Barnes, my wearing apparel I direct to be divided

between my nieces Helen and Ann Huie, my fortepiano I leave to Mary Barnes my proportion of negroe Jemmy's hire I bequeath to be annually paid into said Jemmy's own hands my body I bequeath to the dust from whence it came and my soul I recommend to the mercy of God through the merits of a redeemer. P.S. I desire that my negroe boy Frederick should have three years schooling and that he should afterwards be bound to a trade for which purpose I have bequeathed to him the aforementioned fifty acres of Land.

I wish that the money which I bequeath to my sisters may be appropriated to their own use independant of their husbands and I direct my Executors to place the money in the hands of proper Trustees to that effect I desire that a claim which my Brother Thomas Bullitt has on me for a hundred dollars may be paid previously to my other debts. This I declare to be my last will and testament, and I again recommend to the God the Universe for whose mercy I humbly hope through the mediation of a blessed saviour.

William Horvison's Will

Washington Nov. 15th 1804.

Most honored parents,

Our departure has been delayed from Monday till Friday, very much to my satisfaction as it has given us time to breathe a little before commencing so long a journey. Our preparations are now completed, and we are to set out early in the morning. Every thing promises an agreeable journey if the weather is favorable, and the accommodations will be such that we cannot suffer much even by the worst weather.

Although I have great hopes of revisiting this Country before the expiration of many years, yet as the great distance to be traveled must make my return uncertain, I wish to provide for the disposition of what little property I leave behind, in case circumstances should call for it. This I shall do by simply signifying my wishes, assured that they will be as much respected as if expressed in the most binding form. - The property I shall leave in this part of the country consists of,

Five Shares of Stock in the Bank of Virginia worth at par \$500 - To fill up these shares Mr. Trone is to pay Sam^l Horvison \$150 when called for 500 "

A Debt of \$200 due from Samuel Horvison, which if he finds it convenient is to be likewise invested in Stock 200 "

A Mahogany press and Book case left in the care of William James Esquire to be sold if it will bring \$35 35 "

Several small debts left with W. Boyd Esquire to collect, amounting to about 15 "

John Horvison owes me \$17.50 which I may possibly collect on my way out 17.50

The money and property I shall take with me, after paying every debt, are supposed to be worth \$500. 500.00

\$1267.50

William Howison's Will Continued.

Should I not return, I wish the following distributions to be made. The debts due from my brothers John and Samuel are to be relinquished to them, if remaining unpaid.

My parents, if they or either of them survive me are to enjoy whatever else I may leave, during life. At their death let it be equally divided between my sister Mary Ann and my brother Robert, after giving my Brother Stephen \$200.

It is to be understood that this arrangement is only to take place if I die leaving no family of my own or without making a future disposition of my estate. I have neither time nor paper to add more. May you all merit and experience the Guardianship of that providence on whom we all depend.

With lasting and dutiful affection
yours, Wm Howison.

of Wm County
Virginia.)
