In obedience to the order of the County Court of Prince William herunto annexed I have examined the administration account (which is also annexed) of Braddock Richmond on the Estate of Robert Lindsay deceased & am of opinion that the said Account is justly and correctly stated I have ^{found} vouchers for the Coffin & expense of advertising the property & also the bond which is charges & which is herewith returned for the same charges for expense of the Order for appraisement & for attorney fees no vouchers have been produced but it appears to me that those charges are reasonable & that a balance appears due from the Administrator of seventy four Cents. It also appears that no Commissioner has been charged by the Administrator which is respectfully submitted to the Court.

 In the second place I direct my said Executors to sell a Mole seat
 belonging to me on Broadrun in Prince William and apply the
 money towards discharging my just Debts and in case it should not
 be wanting for that purpose then to be applied to the use of my

 wife Jane for seven years, to enable her the better to support herself

 marries again I then only give her during her life one third part of my
 said estate, the rest to be kept together for the purpose of supporting
 my children. In the sixth place I will and direct at the end of seven
 years the land on which I reside to be sold by my Executors and the

James Guatkins Will.

I James Guatkins of the County of Prince William make and constitute this my last Will and Testament hereby solemnly revoking all former Wills by me heretofore made. For my much loved Wife, I deem it unnecessary to make any other provision than that which the Laws of the Land have secured to her. - I devise all my lands in Prince William to my two sons James & Edward & their heirs as tenants in Common, and if either of them should die before he attains the age of twenty one years, then I desire that his portion of said lands should vest in the survivor in fee simple. - I devise all my Lands in the Western Country to my friends Charles S. Dade and William A. G. Dade and their heirs, in trust for the uses and purposes hereinafter mentioned. In the first place I desire that if the said lands within a short time after my death be not greatly increased in value and quantity either by a favorable adjustment of a large part thereof which is now distressed or by a great increase in its price, that then the said Lands shall

be held by the said Charles S. Dade and William A. G. Dade in trust for the use and benefit of my son Horatio D. Gwatkin and his heirs and I hereby authorize them to sell and convey the said land for his benefit if they shall deem it expedient. But inasmuch as I have already made some provision for my said son Horatio, I desire that if said lands should so increase in value either by reason of price or quantity so as to render the provision for my said son unequal and far beyond that made for the rest of my family, then I desire my before named friends Charles S. Dade and William A. G. Dade to sell said land and I hereby constitute them trustees of such part of the proceeds of said sale as will make the share of my son Horatio equal to that of the rest of my children respectively, for the use and benefit of my son Horatio, the balance of the money I desire them to divide among all my children except the aforementioned Horatio & my daughter Hannah Bell. I bequeath to my brother Charles Gwatkin a Negro Man named Jesse (who together with his mother Hagar, I have some time since loaned to my mother with whom they now are) I say I bequeath said Jesse to my brother for his life & if Jesse survives my brother, I desire that he may become the property of such member either of my own or my brother's family as he (Jesse) may elect. I bequeath to my niece Elizabeth Gwatkin for her life one of the free male children of the before named Hagar, and desire that she may have her choice thereof. All the Cash of which I shall die possessed I bequeath to my friends Charles S. Dade and William A. G. Dade to be by them distributed among all my children except my daughter Hannah Bell as they shall think reasonable, desiring them unless they shall see special cause to the contrary to prefer my son Horatio in said distribution. And I hereby authorize the said Charles S. Dade and William A. G. Dade either to keep said money together, loan it out or vest it in the funds for the benefit of said children accordingly as they shall think most expedient and until such time as it may be deemed by them advisable to deliver said money to my before named children or either of them. - All the residue of my Estate I desire may be divided equally among all my children except Horatio Gwatkin, and Hannah Bell for both of whom I have already made provision. It is my further desire that in this division a negro Girl named Lucinda given to my daughter Margaret by her grandmother may be included so that my said daughter Margaret may not have more together with Lucinda than my other daughters

respectively - I desire that my Estate may be inventoried ~~and~~ ^{but} not appraised, and lastly I appoint my friends Charles I Dade William A. G. Dade my sons Gerard James and Edward and my friend Gerard Alexander junr. son of William Executors of this my last Will desiring that no Security may be required of either of them for the due execution of my said Will.

John Gibson's Will

John Gibson of Prospect Hill in the County of Prince William, do by these presents declare and ordain the following to be my last Will and Testament

I devise to Richard Mackey, Sally Bates, late Sally Mackey, George Mackey, Peggy Mackey, John Mackey, Mary Mackey and Thomas Mackey children of Nancy Mackey dec'd. the use of so much of the Land in Prince William County that I bought from John Tayloe esq^r as is contained within the following boundaries to wit - Beginning at a Spring in the said land commonly called Hardings Spring; thence along the back line of the Land to Cabin Branch; thence down the branch by the meanders thereof to the mouth of the aforesaid Spring branch; thence up the branch by its meanders to the beginning. The annual product of which and of the establishment to be made thereon, shall be enjoyed by them in such portions and under such qualifications as my Executors may from time to time in their discretions prescribe and direct until the youngest of the devisees of the said use or the youngest of the survivors of them shall arrive at age; from and after which period I devise the said land, so contained within the above mentioned boundaries, to the above named Thomas Mackey his heirs and assigns forever. But should the said Thomas die before he ~~arrives~~ attains the age of 21 years (he being the youngest of the said devisees) without leaving issue, then living, then in such event upon the attainment of the ^{age} 21 years by the youngest of the surviving of these devisees, my will is that the same land whereof the use hath been so devised shall by my Executors be sold and the proceeds equally divided between the surviving devisees and the issue of such as be dead. In like manner if the said Thomas shall attain his said age and then die without leaving ~~such~~ issue alive at the time of his death my wish is that thereupon the same last mentioned land be by my Executors sold and the proceeds divided among the surviving devisees and the issue of such as shall be dead. At the close of the year in which I shall die my Executors are desired to make choice out of my Slave Estate of seven young working hands whereof four shall be men and the balance women so many of the seven as may be necessary to work the Land above devised shall be placed thereon and the remainder my Executors will hire out. The use of the first on the Land and the hires of the last shall continue for the common benefit of the said devisees as long as the said Land continues in their use

on the use of the Survivors of them as above limited. Unless some of the said devisees now married or hereafter marrying should remove from the County of Prince William, in which case such removing devisee may have a Slave allotted to her or him whenever and as often as an occasion may happen by my Executors. the female Slaves being intended for the girls and the Male Slaves for the boys. Whenever the fee simple estate of the lands shall take effect under the provisions of this will upon the determination of the use a final division of the Slaves shall be made allotting to each of the male devisees and their representatives a male Slave and to each of the Female devisees and their representatives one of the said female Slaves, with her increase subsequent to my death to be born. My Executors are also requested to allot to the said land, two good working horses or mares, seven Cows and as many calves, ten head of hogs and two years supply of meat and Corn. The Stock which may belong to the Land under this provision at the time of the final division of the seven Slaves is to be divided equally between the said devisees and the representatives of such as be dead. I would not trouble my Executors with exercising their discretion in appropriating the product of this plantation establishment but for the wish I have that the three youngest of the devisees should be educated and maintained out of the same in every event. I devise to the said Richard, Sally, George, Peggy, John, Mary and Thomas and their heirs forever my tract of land in Harrison County on the Waters of the little Konharaway granted to me for five thousand acres to be equally divided among them, and in case the whole or any part thereof shall be taken away by claims of Superior right so much to be made good to them out of my ten thousand acre tract near the Land fork in said County. I devise to the said Thomas Mackey and his heirs forever a tract of land in Harrison County and State of Virginia on Sycamore lick run, adjoining the lands of Edmund West and John McCally granted to me for one hundred and sixty five acres. I also give to the said Thomas Mackey his heirs and assigns forever four lots of ground purchased of Cuthbert Bullitt in the Town of Newport. I devise the legal estate in the Lands where of a use is declared in the first part of this Will during the Continuance of that use to my Executors, in trust, to see the said use well executed. In case of the death of any or either of the said seven devisees herein before named without leaving heir or distributee to succeed to the provision made herein for him or her then and in such case my will is that the real or personal estate which would be so from thenceforth undisposed of by the preceding clauses of this Will shall pass and go as the same would lawfully descend

John Gibson's Will Contd.

and pass under the law of descents and distribution in case the said seven devisees had been born Brothers and Sisters of the whole blood in lawful wedlock; and this adoption of the Law of descents and distribution among the said devisees is to apply in every case of the failure of issue of any of the said devisees within the utmost periods allowed by the rules of law for limiting the Succession of Estate.

I give to my Godson Alexander Henderson of Wood County my Library of Books with the drawers and casements in which they have been generally kept. All other my Household furniture and wearing apparel it is my will shall be equally divided amongst the devisees mentioned in the first part of this my Will - My eight day Clock, I give to my friend James Reid and also my Thermometer and barometer - All my lands in America except those herein before disposed I devise to my friend and former partner in Trade Robert Ferguson in fee simple in trust to and for the following uses and purposes, First to permit my Executors hereinafter named to sell and in the name of the said Ferguson to convey the same in manner that my said Executors may think best and out of the proceeds of sale to pay all my debts and all the charges of the Executorship and the surplus (if any) together with the proceeds of the sale to be made by my Executors of all the rest and residue of my Estate of whatsoever nature or kind in America and Scotland to remit and pay as follows - One third part to my Sister Mary Heasty widow of James Heasty and her representatives - One third part to the Children of my Brother Peter Gibson dec'd & their representatives and the other third part to the Children of my brother Hugh Gibson dec'd and their representatives. In case there should be no representative of either of my said brothers or of my Sister the part herein allotted to the representatives failing shall accrue to the representatives of the others or of the other as the case may be, it being the leading intention of this my will to divide the proceeds of the said residue & remainder of my Estate equally between the three families before mentioned and to limit their rights of Succession to each other as far as the rules of law will admit. My Executors hereinafter named are desired not to remit so much of the proceeds of sale as aforesaid as may accrue to such of my Nephews and Nieces (wherever

they maybe) or their representatives as are infants until they shall be satisfied that Guardians sufficiently responsible, are appointed for them - It is my Will and desire that my Executors do make to William Starfield a conveyance for the four hundred acres of land in the State of Ohio sold to him when he shall have paid the purchase money for the same - All and every act and discussion which may be limited by this Testament to be done and performed by my Executors may be performed by such of them as shall qualify to my Will and by the Survivors or Survivor of such as qualify thereto - The duties to be performed in Scotland may be done by Attorney - I appoint my friends Alexander Henderson John Spence and James Reid all of the Town of Dumfries Executors to this my last will and Testament, hereby dispensing as far as the Law will permit me, with the necessity of bond and Security for the said Executorship. Believing it to be a duty which the living owe to the dead, to take upon themselves the management of their affairs, when the request is made by a friend, who in life felt in the strongest manner that obligation, and never refused to perform it; Feeling for the deceased - Mathew Harrison Esquire, whilst living, the warmest affection, and for his death, the deepest regret; it is with great violence to my feelings, that I renounce the Executorship, to which, by his last will, he has called me.

A Conviction that my remote situation, and bodily infirmities, render me unable to discharge the trust, has produced in me this determination. If an unfeigned desire to serve the family of a man very dear indeed to me, could remove the difficulties I have stated, I should not hesitate to take upon myself the trust which friendship confided to me; but situated as things are I am compelled to decline it; and do hereby forever renounce the right of being one of the Executors of Mathew Harrison Esquire Attorney at Law late of the Town of Dumfries in the County of Prince William and Commonwealth of Virginia: and request that this my renunciation may be entered of record.

Thomas Blackburn's Inventory & Cont.

Pursuant to an order of Prince William County Court bearing date the 4th January 1808 We the Subscribers repaired to that part of the Estate of the late Col. Thomas Blackburn, known by the name of York shire farm, where after being duly qualified, the following property was exhibited to us, and appraised as hereafter stated, except the negroes Gabriel, Moses & Nancy and one of her Children, which were sold previous to the order of Court and which negroes we have rated at the prices for which they respectively sold. We conceive that from the number of appraisers appointed in said order, four of them in the neighbourhood of the deceased's late Residence, it was only intended by the Court that we should act on the Estate above Occquan, and that a concurrent report will be made of the property at Rappahannock by the others.
