Here is presented a settlement of the account of T. D. Bryan as administrator of D. S. Martin dec'd. The statement shows that there is in the hands of the administrator the sum of \$1548.24 and requires some explanation. The whole fund remaining in the hands of the administrator consisted of Bonds and evidences of debt to and from the estate the larger portion of which are at present unsatisfactory. These bonds and evidences of debt together with all the papers belonging to the estate, regarded as doubtful as soon as worthless were all equally divided among the distributees viz. Sallie Martin, H. B. Martin and T. A. Bryan in right of his wife. As is shown by the general receipts of Sallie Martin and William J. Martin guardian of H. B. Martin, attached to vouchers Nos 63 and 68. So that in fact the administrator has fully administered and paid over to the proper parties the entire assets in his hands.
