Above is presented a settlement of the account of John H. Covic as admin of Stephen Brinkley dec'd. showing a balance in the hands of the admin of \$3078.00. It is proper however to state that on the last settlement the Court allowed the admin \$20.00 to pay out on some bills that had been bought for the estate. Some of which has as yet been received. I have not taken them in this settlement (which on comparison will be seen) but in this report have to state that there ought to be left in the hands of the admin the sum of at least \$20.00 to pay out that may come against the estate. This will reduce the funds for distribution to \$3058.00. A bill of which is respectfully submitted.
