The foregoing statement presents a settlement of the estate of John Searcy deceased by Hugh Searcy his executor, and also a settlement of the same with each of the legacies except Sarah Bryan. The reason for excluding her is that she obtained a settlement with the executor by a writ in the Circuit Court of Rockingham County. The foregoing statement shows that the executor prepared the legacies to a small amount. Respectfully Submitted

In the Township Court of Putnam County
above, (on the preceding page) is
presented a settlement of the estate of Martha Hannah, with John S.
Cree her executor. This settlement shows a balance in the hands of
the executor of \$119.97, but as there would necessarily be some legal costs to
be paid before the executor could discharge himself, I have appended the
sum of \$100 as the proper one for division among the residuary legatees.
On this page is presented a statement showing the standing of the share
of the residuary legatees in relation to the funds. Respectfully submitted
