To the Honorable Court of Pulaski County  
 The foregoing presents a settlement of James A. Walker as Administrator of the Estate of Thomas Page, deceased, and shows a balance due from the Admin<sup>rs</sup> of John J. Sayers, dec<sup>d</sup> of thirteen dollars and thirty seven cents and eighty four cents. It is proper to state that this balance is composed principally of a large debt amounting to \$1268.53 upon which the Admin<sup>r</sup> has brought suit, but it is not expected that anything will be realized upon it. Whenever this suit is determined, if nothing is realized upon it, the Admin<sup>r</sup> should have credit for this debt. Since in any event should be credited for any part of which he may be unable to collect. The said balance is further composed of another debt of about \$148, for which a judgment has been obtained, and which will probably be collected, if however the Admin<sup>r</sup> should be unable to collect the last mentioned debt, he should be credited with the amount of it in his final settlement. I have credited the Admin<sup>r</sup> in this settlement with the balance on the \$148 debt charged to and forming a part of the balance reported against him in the last settlement, having been ascertained, since that settlement by the result of a suit brought upon that bond, that nothing can be realized upon it.

To the Worshipful Court of Delaware County  
Now presents a Settlement of James A. Walker Admin:  
of the Estate of Thos. Poage dec'd and shows a balance  
due the Estate of Thos. Poage. It is proper to state that the bal-  
ance is composed a principal of 90.00 and interest thereon  
at 6% per annum, which judgment is due to the Estate of Thos.  
Poage, of course the account should be made to collect the same  
judgment. It should be entered with an amount of the  
final Settlement, there created the Admin: Settlement  
into the amount of the bond on the St. Harman which bond forms  
a part of the balance reported against him in the last  
Settlement, it having been ascertained since that Settlement  
by the result of a suit, brought upon that bond that nothing  
can be realized upon it.
