 Credit. The foregoing statement is correct

was on charging interest upon the whole balance, due 1st Jan'y 1865.
 the effect of that charge being to compound the interest on \$25.65
 part of that sum. This error being corrected and the committee at
 court interest upon the same paid to Patton, which upon his
 showing he is entitled to, will show the following result viz:
 Amount balance shown on opposite page \$1369.00
 Deduct

Interest on \$25.65 improperly charged from		
1 st Jan'y 1865 to 1 st Aug 1865	\$20.25	
And interest on payment to Patton	7.20	27.45
