of my estate, I direct that he pay unto to my Executors to be held
by them upon trust two hundred dollars, and that he pay unto his
Sisters, Jane Bickman, Matilda, Long, Henry B. Hager, and Margaret
R. Bickman each respectively two hundred dollars in three equal
annual instalments, the first instalment to be paid within twelve
months from the time of my decease.

6th I devise to my daughter Margaret R. Bickman a tract of land
lying on the South side of, and adjoining my other lands and known
by the name of the white glades, and containing by survey three
hundred and twenty acres to her and her heirs forever.

7th I devise to my son John M. Hager two thirds of my lands lying in
the County of Bulake, "not otherwise devised" and to the death
of his mother the remaining third part to him and his heirs for
ever. But as a part of the trust devised to Moses M. Hager is included
in what is called my house & pasture, I direct that part so included
to be equally divided between the said Moses M. Hager & John M.
Hager, so that Moses M. Hager may get the east side & John M. Hager
the west side of the inclosed piece of land aforesaid.

8th I devise to my two grand children John M. Thomas & Rachel M.
Bick what I have given them by an indentment of a bond for
their benefit, which bond is for my part of the price of a lot in
the town of Blackbury which was sold unto John Speckard, also
my part and interest in a house and lot in the town of Blackbury
and in a tract of land lying on the waters of Neenaken, both
now held jointly by myself and late William Thomas which
devise, is to them and their heirs forever.

Having heretofore made considerable management and
my during my life make more unto my daughters Eliza M.
Long, Jane Bickman, Matilda, Long, Rebecca M. F. Tyne, Mary R.
Hager and Margaret R. Bickman, but unto some minor part
to others of them, I therefore direct that their accounts be com-
pared and those that are short be brought up and made equal
out of my personal estate with the one that has received the
most and what Eliza & Long's account lacks of being equal to the one
who has received the most shall be held or paid over to my
Executors hereafter named, to be held by them in trust, and in
adjusting this matter reference shall be had to my account book
kept by myself.

9th I devise to my Executors hereafter named "Upon Trust,
and to my daughter Jane Bickman, Matilda, Long, Rebecca
M. F. Tyne, Henry B. Hager, and Margaret R. Bickman my
tract of land in the County of Weythe adjoining the lands of David
Crahan & George Walton, also my interest in a tract of
land in the County of Weythe adjoining the lands of David
Crahan & George Walton, and held jointly by myself and late William Thomas

John Hager of the County of Bulake and State of Virginia, at
this time being of a disposing mind and memory, and reflecting
on the uncertainty of all human events, do make, ordain, and
declare this testament to be my last Will and Testament, hereby
revoaking all former ones made by me;
First he commends my soul to God who gave it, and my body to
the earth, there to be decently buried.

2nd I direct that all my just debts and funeral Expenses be
paid off.

3rd I devise to my beloved wife Elizabeth Hager One third part
of the plantation I now live upon for and during her natural life
together with so much of my household furniture as she may
wish to keep; also all my negroes during her natural life.

4th Having in the month of May 1837 established my son George
B. Hager in the Mercantile business with a stock of goods amount-
ing in value to the sum of three thousand dollars, I have given
him, and thereby satisfy and confirm that gift, and
absolve him from all obligations to pay for them.

5th I give to my son Moses M. Hager my tract of land on
the Neenaken River and of still water, to him and
his heirs forever, but it being more than two hundred acres

and their increase, if any, to them and their heirs forever.
 15th The balance of my estate of any kind, whether it be property, bond or bill, and not herein otherwise devised & given and bequeath to my Executors hereafter named "Upon Trust" and to my children first James Peter and Margaret Long, Margaret A. Dickman, George D. Hagen, Moses H. Hagen and John M. Hagen.

16th I direct that the lands, property, money, bills or notes devised to my Executors hereafter named shall be held by them, or the acting or surviving grant of them upon Trust, for the necessary support of my daughter Eliza S. Long, to be paid by them for said purposes, and in such proportions as they may think necessary from time to time, and if they may think it advisable, sell the lands which are herein devised to them, and on receipt of the purchase money, convey the same to the purchaser or purchasers, holding the money in Trust for the purposes aforesaid, and they are hereby authorized when they may think proper, to make sale of any property which may come into their hands by virtue of the devises aforesaid, or collect monies due to them by virtue of the devises aforesaid and to loan out said monies on interest when they may think it advisable, to do so, so as that the monies be kept safe, and ready for the purposes aforesaid, and if the whole of the funds now placed in the hands of my Executors as aforesaid, for the purposes aforesaid be not all paid out & disposed of for the purposes aforesaid during the natural life of my daughter Eliza S. Long, then the residue to be paid unto her children to wit, Margaret James Long, John Montgomery Long, James Thomas Long and Ann Elizabeth Long, and if my said daughter Eliza S. Long should hereafter have any more children they are to come in equal with the above named children.

17th And lastly, I do hereby constitute and appoint Moses H. Hagen, John M. Hagen and Moses S. Long, my Executors of this my last will and Testament.

In testimony whereof I have hereunto set my hand and affixed my seal, this 16th day of December 1845.
