In obedience of an order of the County Court of Sulaski County made at the first term 1847 appointing us Commissioners to state and settle the account of Samuel Ingram Guardian of Margaret Weaver we lay leave to submit the foregoing statement and account. It will be seen that the lands of John Weaver did, were rented several years before Samuel Ingram was appointed Guardian of Margaret Weaver, which rents were received by Samuel Ingram and charged to him in account after allowing him 5 per cent on such receipts as also the sum of \$12.00 balance of proceeds of the personal estate of John Weaver did, which amt. is also charged in account to the Guardian, as also the rents received by him from the year 1836 to the year 1847 inclusive, which he is allowed 5 per cent Commission on each annual receipt and charged 5 per cent interest on each annual balance and allowing him credits for disbursements in each year, which statement leaves in the hands of Samuel Ingram the sum of \$631.02 1/2. It is proper to remark that the Guardian has made no charge for extra trouble or for board and clothing all his vouchers are for necessities purchased by others, he is charged for 5 year boarding washing and clothing by Jacob Woodman. It is also proper to state that Samuel Ingram was introduced as a witness concerning the rents of the land which was taken on rent and is Samuel Weaver (deceased) as a witness.
