that the whole matter in Difference between yr Orator and the
Barrow should be referred to Mr Thomas Lucas Esqr, and also that
yr Orator should make his personal appearance at March next
next after, notwithstanding the said Barrow never had Cause
action in Law agt yr Orator, or the said Dickenson the said Barrow
only referring to himself the said Dickenson little to Disturb yr Orator
and the said Dickenson, moreover the said Barrow being then Constable
constable having order to arrest yr Orator, before the said Mr Thomas
Lucas Esqr. came into yr Orator, house in a proportion manner not like
a ministerial officer but stamping on the house and demanding papers
from yr Orator house and Land saying our Business ^{must} be heard
before the said Mr Lucas. Undoubtedly the which yr Orator not believing
and having before persuaded yr Orator to Convey many papers of
state to him yr Orator made him a refusal and yr Orator seeing
no order for his so doing supposing all things he fairly ended hoped
therein yr Orator to receive in passion more than increase by the further
Comportable Carriage of yr Orator to turn him being then
Constable out of Doors for which the said Barrow arrested yr Orator
pretending great matter of Contempt. Now so it is yr Orator being
under the Daily Trouble and always under arrests and Durance
thinking that if yr Orator should vex himself too much might
lose his gift of a man so Desperately have suffered him at last
mainly for quietness sake to take what he would of yr Orator Land
hoping to find a Remedy in a more clear time when these clouds were
passed over not Doubting but when the true merits of the Cause
were truly looked into it would Really appear that it does
deserve the passion between the said Barrow and yr Orator, therefore
all drawn and were but the effects of force and trouble as above
the greatest Consideration that by the several signs returned that
Barrow and yr Orator were but the above pretended Title of Colonel
or Chapman or servant yet now was in the said Barrow's power to give
nor in the Guardians of the Orphan to see what may be said
there is no such Law in Roman Law or there be the Orphan
title is not extinct the which was only Collusion and Deceit by yr
Orator for that yr Orator never had any valuable Consideration
for the Peace an Estate nor the Peace Effects of the Consideration
mentioned in the said Barrow's paper.

The ^{primary} Consideration yr Orator
desires, prayeth that whereas the Right of the said Land was now out
of yr Orator's holding by the Grant of Patrick thereof and for that the
said Barrow hath not had five years possession. The Court would
seriously weigh the whole matter in Equity and as yr Orator just
claims to be received as above immediate possession of his Right
Right and that if the said Barrow either by himself or Attorney
have any answer to make in objection thereto that it may be
by him in writing unto the next Court according to Act of Assembly
(25th Act) And yr Orator as in Duty Bound Shall ever Pray &c.

That whereas Thomas Pattison was
arrested by your Petition to the County Court in November and at
that Court Crasie a Reference till the next Court in January and
before that Court exhibited a petition to your Honor therein alleging
that solely a right to my land your Honor Claimed and also pretending
in falsely your Petition. vexeth him with such an imperty for that I have and
did move your Honor then to stop my legal proceedings in my Just and
Lawfull Claim. But your Honor was pleased only to delay my
proceedings in prosecuting till the middle of January and not before
and thereunto I did write to the County Court Signifying your Honor pleasure
and did not appear or appoint any attorney. But the said Pattison
obtained a writ against your Petition taking advantage by his Honor's Refusing
to sue in Court though he required the petition presented to your Honor.
Your Petition therefore prays your Honor will be pleased
to may execute his Just Claim and that your Honor will
please to Inform the said Pattison with out further delay
to answer his Suit in March Court next in the County
And he shall pray.

By the Governor and Capt Genl of Virginia
Whereas I have perused the above written petition and find nothing
in it but what is just and Reasonable and being of opinion that
the writ obtained by Pattison was corruptly and illegally procured
of one Informer of the Court of the Reason why the Petition de-
sires in the execution of his Suit in the said Court. There are therefore
in his name name to move and require the said Pattison (not with-
standing the writ obtained by him as aforesaid) without any further
delay to answer the Suit of the said Petition at the next Court
held in the County of Rappahannock with out any continuance of action &

After many Importunities
and Constant Endeavours for Peace and reconciliation with Mr

designs of yr. as when (March was three years) he most
Importunely insulterd our all thereby rendering us to the under
the worst of Criminals And now the Standing

and uppon he (in great ph.) misinforming and yr. Hon^{rs}
Clemency in demitting and pardoning us when before (we
must always agnize) we were but justly Corrected for our Levities
and great extravagances. He remains as implacable as ever and
will admit of no Compensacion through tendencie with all the in-
stances of Charity except by yr. publick acknowledgement of a
high offence given him whether by word or writing, which because
we cannot doe as not Conscious to our selfe of any such Crime he
has lately by a Superintend^t Authority Estranged and disin-
titled unto Fellowship in the Sacrament of the Lords Supper.
For in Easter week last for Senting or selves there after due
protest and declaration of the Communicants their Nothing to
object agt us he must unjustly abdicat and Suspend us
from participating thereof and Comanded yr. absence to all we were
Recommitted And therefore we make yr. humble address to
yr. Hon^{rs} trusting that yr. Hon^{rs} will vouchsafe the entertain-
ment of yr. Complaint by finding out some expedient to Dispen-
tiate your Condemnation and thin his repa and severe Discipline.
Whereby as Magistrats we are liken to be rendered very Con-
temptible. We have hitherto Suspende all just Complacents of
his nonConformity and scandalous living to the griefe of the whole
people. Rather then he accompted Suspendus Contention.
And can still hear (with all Calmness of mine) his Suspendus
