Virginia s^o

By her Maj^{ty} ¹⁷¹¹ Governor and Commander in
chief of this Dominion

Whereas I have received — complaints of Great Delays in the Administration of Justice, through the County Courts neglecting to meet on the Days appointed for holding the same, and the Justices refusing upon frivolous pretences to sit when met for the Dispatch of the Business before them whereby her Maj^{ty} Subjects are frequently obliged to a tedious and expensive attendance before they can obtain a Determination of their Suits and for as much as I am desirous to be informed from whose fault such delays do proceed, and that I may be the better enabled to distinguish such persons as out of a due regard to the Service of their Country do regularly attend the Administration of Justice in their County Courts.

I have therefore thought fit by and with the advice of the Council to require the Sheriffs of the respective Counties and they are hereby required that when ever it shall hereafter happen that the Justices shall neglect to meet on the days appointed for holding their respective Courts or being met shall not duly sit and dispatch the Business then depending that he forthwith certifies the same to me together with the name of such of the said Justices as were then present and were hindered from performing their duty for want of a sufficient number

And I do further require the said Justices at their next succeeding Court to Examine into the reasons of the absence of the other Justices or their Refusal to act if met and to report the same to me by the first opportunity, and that I may be constantly Informed of the proceedings of the said County Courts in the speedy administration of Justice, I do hereby require and command the Justices of the said Courts, forthwith to transmit^{to} me and so at every Generall Court from time to time a list of all such causes on their Docketts as have been depending above the space of six months, the time of their entry and Continuance and the reason of their being so long undetermined.

And whereas her Majesty hath beene graciously pleased to direct that for the more speedy prosecution of Criminalls, two Courts of Oyer and Terminer be held yearly on the second Tuesday in June, and the second Tuesday in December, I do hereby publish & make knowne, that the said Courts will be held at the Capitoll on the said Respective Days and the Justices of the said County Courts and Sheriffs of the severall Counties are hereby required to observe and follow the like order and Directions in Conveying Criminalls to the said Courts, and for Summoning Venues Witnesses and Returning the Examinations as are appointed by Law to be observed upon Tryalls of Criminalls at the Generall Court And That those Concerned may be the better informed of their duty in the premises I do hereby order and Direct that these presents be entered in the records of the respective County Courts and that the Clerks deliver a Copy thereof to each Sheriff at his entrance upon his Office, Given under my hand and the Seale of the City at Williamsburgh this 20th day of April 1711 in the 10th year of her Maj^{ties} Reigne.

A Suit at Law was brought by Edward Barrow of Richmond County Gent^r against Gilbert Metcalfe of the same County Gent^r before the Court of the said County for certain Slaves Detained by the said Metcalfe from the said Barrow whereupon a Jury brought in a special Verdict upon the whole facts of the case but before the said Court gave any Judgment thereon the said contending parties Entered into a Rule of Court by their Consent and request to Submit the Suit and all other Differences (Claims & Demands) of either of the said parties to the Estate M^r Richard Metcalfe Dyed Testator of in this Colony, to my Examination & Settlement, and that Judgment & Provision should go according to, bearing Date the first Day of August 1711. So Determined this matter the best I could. The contending parties have bin before me, have Considered the proceedings in this case, the Facts found by the Jury, the papers produced on both sides, The Will of Gilbert the Grand father, the Long Entercourse of Letters between M^r Metcalfe and his Richard his Son and after his Death to his Relict M^r Barrow, also the Letters of the said Richards Brothers to him, and likewise Richards long Possession, his Claim to his Uncle the Alderman of York his Estate

Upon the whole it is my Opinion that Barrow recover the Negroes Claimed in his Declaration or as many of them as shall be alive on the fifteenth Day of November next and those Negroes also that have bin seized by the said Metcalfe since & after brought, and also the Children that have bin borne of any of the said Negroes since Metcalfe hath had the Possession of them, as the proper Estate of the said Richard and my further Opinion is That the said Negroes and their Increase or as many of them as shall be Living, be Delivered to the said Barrow on the said 15th of November next and not before and if not the done that Execution Issue. That in the meantime Gilbert have the Labour and Government of the said Slaves

that Respects them with provisions, and use them with
Humanities and that at the End of the time the said
Gilbert pay to the said Barrow for every one of the said
Slaves a new Coat, Suite two Pairs of shoes & stockings
and three barrells of Fire: and also five pounds Sterling
Damage which Summ of five pounds is to be in lide of
all Damages whatsoever the said Barrow may or might
Come or recover for Detention of said Negroes or for the
Death of any of them or for any other cause or thing
relating to this Suit Except the cost of Suit which
is my Opinion be born Equally between the Contending
parties — Witness my hand and Seal this 2 day
of June 1712 Robert Carter Seal

And forasmuch as m^{rs} Jane Metcalfe
Daughter of the said Richard and Sister to the said
Gilbert and now maintained by the said Gilbert Claim-
ing of their said fathers Estate as her portion from
the said Barrow, to prevent farther Trouble hath
agreed to stand to my Determination relating to
her Claim out of her said fathers Estate, and the said
Barrow agreeing to performe what I should Judge
Equitable therein, It is my Opinion that the said
Barrow do upon the settling all matters with the said
Gilbert upon the said fifteenth of November next
and upon the said Gilberts giving good Security to
the Court to be answerable to the said Jane for her said
Portion & the Interest thereof: That he the said Barrow
pay unto the said Gilbert in Money Sterling by good

he hath a Decree according to his prayer in his Bill

John Camock about 40 Years old upon his Oath saith that he
had an old bagg in his possession at his Mothers house a considerable
time in which he kept his writings and also a Gold Ring in a
paper which Bagg was so kept by him in a Chest where in there
was a parrell of Linen containing about 12 Yards & other
things; that the s^d Chest was broken open and severall things
taken out particularly the s^d Linen Bagg & Ring that M^r.
George Wriell having lost whatt all y^e same time when the
before mentioned things were lost told him that if ever he
discoverd his lost Goods it would be by means of his s^d Bagg
it was very remarkable having a Hatch cut in the Grain of
it & some other particular Mark under y^e hatband; That after
the robbing of his Mothers house he heard he^r Complaint of
loosing some Camlett out of her Chest that he hath seen the
s^d Camlett before and to y^e best of his Indgement it was much
like the Camlett now produced by Elizabeth Hurlong which
she had of Faigne Madon the Prisoner; that the afores^d Ring
now lost was stolen from him before one time he found
it in y^e Prisoners possession & another time in y^e possession of
a Woman which he was suspected to keep Company with.

and was then taken out of y^e same bagg (now produced) wherein it was
when last lost; that upon y^e Depon^t asking y^e Prisoner where the hatt
was which he wore on Sunday he went and fetcht the hatt now
produced and delivered it to the Depon^t.

Mary Greer about 57 upon her Oath saith that she lived at
M^r. Cammocks when the Hatt now produced, which she particularly
knows by a Hatch cutt in y^e edges of it, was bought by George Threll
that it was in a Chest at her M^r. Miskofes, that to the best of her
remembrance about a Day or two before the house was robbed,
she saw y^e Hatt in y^e afores^d Chest, where it usually lay.

Eliz^a. Furlong about 29 upon her Oath saith that she sett the
Prisoner have two Yards of red Serge, for which he promised
her three Yards of Cloth Serge & afterwards brought her three
Yards of Camlett now produced, and told her he had it of
Cap^t. Smith for Cloth Serge.

Doct^r. Paul Micou aged about 50 upon his Oath saith that
sometime since he sold a parrell of Camlett to M^r. Cammock,
that likewise he sold some of y^e same unto one Ric^d. Peters
in Essex; that he gott a piece of the s^d. Camlett from R^d. Peters
upon comparing wherof with the s^d. Camlett Exchanged by y^e
Prisoner with s^d. Eliz^a. Furlong & now produced, he verily
believes it to be y^e same of y^e s^d. Camlett sold to s^d. M^r. Cammock,
that John Cammock sometime since having lost a Gold-
Ring, and suspecting the Prisoner and a Woman in Essex
County who he was suspected to keep Company with, applied
himself to the Depon^t for a Warrant to search, which being
granted and the s^d. Woman's Chest searcht therein was found
the s^d. Ring, which the Confess^r was given to her by y^e Prisoner.

Francis Stern aged about 15 upon his Oath saith that y^e Hatt
now produced he verily believes was belonging to M^r. Threll, which
he is induced to believe by reason that he waited upon him
when he kept Store at M^r. Cammock, and often busied y^e same, and
particularly took Notice of its being M^r. Thrells under y^e hat band.
