Teste J. Johnston Clerk.

Chas. L. Snyder In the name of law comes! I Charles L. Snyder of the County of Roanoke and State of Virginia, do make the following as my last Will and Testament, receding all other

1. I direct that my Executors herein after named, pay all my just debts.

2. I give and bequeath to my wife Mary S. Snyder the following property in and the Day of fee simple and to be used, controlled and disposed of according to her own wishes, viz the Dwelling House and other improvements on the Lots now owned by me as a residence, including the trees etc, and all the furniture in and about the house, and One thousand dollars in money to be paid to her by my Executors as soon after my death as may be convenient.

3. I give and bequeath to my said wife for and during her natural life the following Property and estate to wit - all the lands formerly owned by my Father Henry Snyder lying north of the town of Salem - the town being four lots in all including that formerly occupied by my brother William Snyder - a man servant named David, a woman servant named Conelina and two of his Children Ed and Jeff - and Five thousand dollars in money which is to be invested in some productive manner in the discretion of my executor and the interest or income to be paid to her annually or as she may require it. The foregoing bequest of the Farm to my wife contemplates her carrying on the same, which she may do either by employing some suitable person to carry it on in her name, or by renting it out. But in any case it is my will that a contract entered into between the Government and myself for the leasing of a thousand acres or more stipulated in the contract, be carried out and executed, and also that another contract with the government for the furnishing of five hundred acres of land be carried out and executed, according to my Executor the discretion given me in said contract to increase the quantity to two thousand acres or any

less number. - The profits and proceeds of these two contracts are to form a part of my general estate, and go into the hands of my executor. In order to carry out these contracts it will be necessary and proper that all the provisions and implements of every kind necessary shall be kept for the use of the tannery and then employed in it, as well as for the use of my family. I also give to my wife the use for life of two two-horse wagons, four horses & four good cows, and such other stock & farming implements as she may require with four.

4. While it is my general object and wish that all of my children shall share equally in my estate, yet as the younger one will have to be raised, maintained and educated, as the older one has been, and wishing to equalize them all as far as I can, it is my will that the sum of \$1500⁰⁰ be added to the share of each of my three youngest children viz, Mary, Frank and Oliver S. - and \$1200⁰⁰ each to Charles and Robert and \$800⁰⁰ to Logan. These different sums my executor are authorized to expend upon them severally in their maintenance, and education without requiring them to account for the same in the final distribution of my estate. It is also my will that the expenses attending the education of my son William, should he remain at the Virginia Military Institute shall be paid out of my estate.

5. Desiring to provide as far as I can for my children in the future, and especially in the present disturbed condition of the Country, it is my will, that any money which may come into the hands of my executor after my death, be (for the present at least) invested in Real Estate leaving it to their discretion as to location, and terms of investment, and giving them a further discretion as to the subject of investment, if the circumstances of the Country should make an investment in either or Confederate stocks or securities equally advisable, in their judgment. I vest the title to all of my real Estate not otherwise disposed of, as well as any I may have bought and for which I have not received deeds, in my executor and any real estate they may hereafter purchase under this clause in my will shall be conveyed to and held by them as my Executors - and in case of the death of either or of my executors the survivor is authorized to hold such title and is further authorized to carry into effect all the provisions of my will.

6. It is my will, and I hereby authorize my executor as my children arrive at lawful age or marry, to advance to each of them such an amount in real or personal estate as they may think judicious and proper, having regard to the condition of my Estate and to the equalizing of all of my said children.

7. It is my will and I hereby authorize and direct my Executor at any time after my decease to sell my interest (one half) in the New Ridge Springs Company and convey the same to the purchaser.

8. It is my will that there be no sale of my slaves and other personal Estate but that the same be kept together and hired out from year to year.

9. I hereby appoint my friends Frederick Johnston and James H. Kennick Executors of this my last will and Testament.

10. It is my will that my lands, other than those herein devised to my wife during her life be rented out from year to year by my executor, as and on terms as will be most likely to preserve their value.

11. After the death of my wife it is my will that all of the estate real and personal, which I may own at my death and not otherwise disposed of, be equally divided amongst my children, taking into consideration any advancements that may have been made to any of them - In this division and distribution it is my will, that
