no. B. M. McLung

Know all men by these presents, that I, John B. McLung of the County of Roanoke and State of Virginia, do make this my last will and Testament.

I devise, and will, that after my death, my body shall be decently buried, in the burying ground, at my present home (which said burying ground, shall be enclosed with a permanent enclosure) and there shall be erected over my remains, and over the remains of my departed wife - if the same is not done before my death - a monument of granite or marble comfortable with my estate; that my estate real and personal shall be divided among my five grand children; children of my lamented daughter, Missouri St-Clair - nee McLung - as follows: To Julia St-Clair I devise one hundred and five acres of land; that portion of my land which I first purchased of Dr Albert B. Read, to Lady Bell Jones - nee St-Clair - I devise the home house and buildings together with fifty acres of land adjacent thereto, which said fifty acres of land adjacent thereto, which said fifty acres of land, adjoins those I herein devise to my grand daughter Julia, from the gate west of the barn on the hill, as far as the Norfolk and Western Rail ways right of way; thence with the Norfolk and Western Rail ways right of way as it runs eastwardly to my boundary line; thence with my boundary line as it runs towards the old Samuel H. Wood track - as far as may be necessary to complete the fifty acres. The residue of my land - some two hundred and seventy nine acres more or less, to be equally divided between my three other grand children, Billy Joe St-Clair, Thomas S. St-Clair and Robt S. St-Clair.

I desire that my personal property of every kind shall be disposed of as follows: from the devise and bequest, to my grand son Billy Joe St-Clair, shall be deducted five hundred dollars, which I make

as a special bequest, and in addition to her share as hereinafter mentioned, to Zula St. Clair, and I also make a special bequest of three hundred (\$300.00) dollars to Thomas St. Clair; the residue of my ~~personally~~ I bequest to my five grand children above mentioned.

My grand child Billy Joe, having received more than five hundred more than the other children I think it but right to deduct this amount from his portion herein given him; Thomas never having been to school to any extent is entitled to the \$300.00 I have above given him - Zula being the youngest will require at least the amount of the special legacy herein given to help her with her education.

I desire and will, that the remainder of my real estate, after deducting the one hundred and five acres given Zula; the fifty (50) acres given Lady Bell - shall be equally divided between my three grand sons Billy Joe, Thomas and Robt. S. St. Clair, and in such a manner, that each subdivision shall be of equal value, but nothing in this will shall prevent either or all of my grand children from selling their respective portion, provided the proceeds of sale or sales be reinvested in other real estate the purchase price of which shall not exceed the price of land sold, unless the deficiency be made up without placing or permitting any lien whatever to remain on the land purchased - but nothing in this will shall be construed as requiring any vendor of any child or children to see how the money received from the sale of any of my lands, herein divided, shall be invested.

I devise unto Thomas Bain Jones and Briscoe H. Baldwin and their successors one half of an acre of land that I have set apart for a family burying ground with the right of ingress and egress.

I hereby constitute and appoint Thos. B. Jones, husband of my granddaughter Lady Bell, and Briscoe H. Baldwin my executors and request that the Court allow them to qualify as such without security, and I further desire said Jones to act as guardian for Zula until she be twenty one years of age -

It is my will and desire that Robert S. St. Clair shall receive a business education at the expense of my estate.

Witness my hand this 5th March 1901.
