

John Withers.

In the name of God, amen - I, John Withers of Roanoke County, Virginia, being of sound mind and disposing memory, do make this as my last Will and Testament revoking all others -
1st I desire that all of my just debts be paid, as well as my funeral expenses, out of the first money that come into the hands of my Executor herein after named.

2nd I give to my beloved wife Martha Withers, the House & Lot with the appurtenances, on which I am now living, together with all my household and kitchen furniture, all of my stock in trade, and personal property of every kind, including any money that may be on hand and debts due me (except so much thereof as may be necessary to pay the legacy mentioned in the third item of this my Will) for and during her natural life, using and enjoying the same as she may think best for her own comfort, and that of the children she may have with her. And after her death, it is my will and desire, that the said House and Lot and appurtenances thence belonging, shall be held in fee simple and enjoyed by my three unmarried daughters, Maria, Julia Ann, and Amasida. And in the event of the death of either one of my said daughters, or the marriage of either one of them, the said Lot & appurtenances are to belong to the survivor, or survivors of them, so long as they remain single, it being my desire and intention to secure to them a permanent home. But if they should all marry, then it is my will that after the death of my wife, the said House & Lot be sold by my Executors, and the proceeds divided equally between my said three daughters, or their lawful heirs.

3rd I give and bequeath unto my daughter Emily Belvoir, as her share of my Estate, the sum of Three Hundred Dollars, to be held by my Executors in trust for her separate use, and to be in no way made liable for the debts, or subject to the control of her husband Daniel D. Belvoir. Should my Executors deem it best that the said sum of money should be invested in any manner for the benefit of my said daughter Emily Belvoir, they are at liberty to do so, but in such case the investment, whatever it be, shall be held in trust by my Executors for the separate use and benefit of my said daughter. If I should in my life time make such an investment for the benefit of my said daughter, it is my will that any sum I may so invest be considered as the share in the division of my Estate intended for my said daughter. After her death the bequest is to come to the benefit of her children equally.

4th After the death of my wife, I wish my son Alfred to be paid the sum of Two Hundred Dollars, to be derived from the collection of debts due to me, or to be paid in money should there be so much on hand, or in personal property, at its appraised value. This sum I give and bequeath to him as his share of my Estate.

5th Any personal property, money, or debts that may remain after my wife's death, over and above providing for the foregoing Legacies, I wish to be equally divided amongst my three single daughters before mentioned.

6th Having already given my daughter Francis McLary, what I consider as her share of my Estate, I make no further provision for her.

7th I hereby appoint my son Alfred Withers, and my daughter Maria Withers the Executrix of this my last Will & Testament. Witness my hand and seal the 13th day of May 1858.
