Jo^s Campbell. I, Joseph Campbell of Roanoke County, Virginia
do make the following my last Will & Testament

1. All of my sons, with the exception of my son John being
provided for and educated, it is not my wish to give to either
of them any part of this portion of my estate, except John, to
whom I give two hundred dollars, to complete his education,
or to be used by him in any way he may think proper. This
I do hereby bequeath to him by my Executor as soon after my decease
as he may have funds to pay it with.

2^d To my youngest daughter Ann Maria I give five
hundred and fifty dollars in addition to \$450. in a
Bond for her benefit making \$1000, which will make her
equal with her sister Fanny. K. and Samantha. This
sum to be retained for her benefit in the hands of my
Executor, and the principal and interest paid to her
when she arrives at lawful age.

3. It is my will that my negro be hired out (giving them
the privilege of choosing their master) and my real
estate rented out (unless it shall be sold by me in my
life time) until my youngest child arrives at lawful
age, when it is my will that my said negro, with the
increase of the family, be divided equally between my
daughters Fanny M., Samantha and Ann Maria (and
not to be sold out of the family, unless by their own wish).
The real estate if not sold in my life time, is to be sold
by my Executor at the same time, for which purpose I em-
power him to carry the same to the purchaser, and the
proceeds to be equally divided between my three daughters
last named. This will not more than equalize them with
my daughter Jane, who has been twice married in the
way of advancements all of my estate that I design for
her to have.

4. The annual rents of the real estate are here of the

negro, until my youngest daughter arrives at age, are to be
applied to his education, and to the support of herself and
her two single sisters above named.
