In the name of god amen I Roger Dixon of Fredericksburgh mar-
chant not knowing how soon it may please the almighty to
take me out of this life think it necessary to make my will
and as far as possible from the great extent of my business
that my affairs will appear much perplexed as I have very
large sums of money I have full as much owing to me
as I owe, yet as some difficulties may attend the collection
of them I must rely on the indulgence of my creditors &
the prudent management of my executors that my estate
may be wound & satisfied & my family not disrupted I shall
therefore in this my will direct & empower them so to
act as may be both for the interest & safety as well of
my creditors as my family I give & devise to my son
Roger Dixon five hundred acres of land being the moiety
of a tract of land in Culpeper County at Graves Ford
which descended from my father to my brother the
Revd John Dixon & which he has given to me & I hope
will confer the same by making a good title to my
said son Roger Dixon and his heirs & assigns forever
I give and devise to my said son Roger Dixon this heirs
forever all that tract of four hundred acres of land
I bought of Mr John Gray Esq. Gabriel Jones in Culpeper
County where the said Jones now lives as my tenant.
I give and devise to my son John Dixon all that
tract of land on the top of creek in Albemarle County which
my father deeded to me to hold to him his heirs
& assigns forever I give to my dear wife Lucy
Dixon after all my just debts are paid her full
dower share of my estate as the law would entitle
her to in case I die intestate I earnestly request
that my brother the Revd John Dixon & my wife
his friends Esq. Fielding Lewis Esq. John Thornton
& Mr John Stewart meet in Kedge will take
upon them the trouble of executors of this my will
& trustees in behalf of my numerous family & see
it duly complied with for which purpose I must
inform them how my affairs stand it will ap-
pear by my Freight & Cartways Store Ledgers & my
two books & bonds & accounts among my papers
that about the sum of ^{pounds} is due to me
from sundry persons find it will also appear by a
list of debts taken from Capt. Nathl. Millitons books
as factor for me that about the sum of
pounds is also due to me from which he is ready to
make good all debts as will appear by his agreement
in writing among my papers which sums together
with my notarys & Esq. fees & the produce of all my
merchandise which I desire may be immediately sold will
amount in the whole to the sum of at least ten thousand
pounds which would be more than sufficient to pay all the
debts I owe and the same be speedily collected but as that
is precarious & some of my creditors may be uneasy I give
my executors or the survivors or survivor of them full power

to sell the following parts of my estate viz. fifteen hundred
and acres of land in Culpeper county which Joseph of late
has purchased individual acres of land bought of one Kestack in
Culpeper County & conveyed to me by James Ballant, four hundred
acres of land bought of Revd John Beckel in Orange the lot at
Mooseb pony place except in the house & outbuildings kept ordinary
above the lot in the house at Culpeper Court House also a
lot opposite to the Court House door in Culpeper all which
I expect will produce a thousand pounds. I also empower
my executors to sell the lot where Mrs. Brainfords
lives in Fictigs also my dwelling house & four lots with
my store and other houses thereon and all my land
between the Hazel run & the bounds of the town that
lies between the main road & the river provided £1500
currency can be got for the same otherwise the houses
& lots to be rented out & the same can be sold for their price.
I doubt that my mill & saw at Fictigs be cleared out till
my son Roger comes of age for the best price that can
be got & then I give the same to him this be his forever.
I give to my son John and his heirs forever the price of
a lot which stands on the main street in Fictigs adjoining
Mr. Benjamin Gyness garden also the lot or half acre of
ground which lies behind Mrs. Brainfords garden & the
half lot bought of Mr. Crookshanks on the side in Fictigs.
I give all the rest of my lots in ^{the} Fictigs and all my land
adjoining to & near the town except what is here before
mentioned or directed to be sold also the land bought
of Thomas Morris & George Bensley at three miles from
Fictigs to my son Roger this be his & assigns forever.
I hope that what I have directed to be sold will satisfy
my creditors with what debts can be collected & that it
will not be necessary to sell any of my slaves but if it
appears necessary by the opinion of my executors
to redeem my mortgage to Mrs. as has been recorded in the
general Court then I empower them to sell such and
so many of them as will answer the purpose with
out distressing my family or selling more of my lands
than are here directed first recommending it to them
to sell such of my stocks of cattle horses waggon & house
hold furniture as can best be spared and to hire out
hereby my waggoner & Toby & Anthony Carpenters
& Moses & Peter Black Smiths. As the income & profits
of my estate will be small to support so large a family
I earnestly recommend it to my dear wife to improve
with her children to the land bought of Gabriel
Jones in Culpeper where with six working hands a
few horse servants & horses she may acquire a gen-
teel support with frugality & the produce of my farm
at Fictigs & Morris may then be sold yearly to the
town & thereby a better provision made for my family
in general than if they live upon it. After all my
last debts are paid & settled I give all my slaves stock
& other personal estate debts & effects of what nature
or kind never to be equally divided among all my

children now born or to be born shall be division after my
wifes dower in the slaves & a child's share of the personal
estate is deliverable. Leave to the discretion of my execu-
tors to be made either by sale or appraisement & they shall
think most for the interest of my family untill such
divisions can be made I direct that the whole profits of
my estate be as one stock & applyed to the support and
maintenance of my whole family. I make no doubt
but my dear wife & my executors will so manage
as to increase rather than diminish the share of each
child after my estate is once clear that they will
take the expedient methods to collect all my outstand-
ing debts in order the sooner to extricate my estate
By the time my brother Robert comes of age I hope it
will be in my brother John's power as executor of my
father to discharge all the incumbrances of that
estate by the sale of the lands slaves & stocks at Baylors
creek in Virginia county & the profits arising from
the other parts of the estate what is in my possession
direct to be applyed that may in order to pay for
the slaves to that I became a purchaser of at time
of making a temporary division of the estate untill
my brother Robert comes of age. In witness whereof
I have here to set my hand & seal this 9th day of
February 1766.

Roger Dixon &

This is not my will at present May 10th 1771. R. Di-
xon 30 1771. I purposed to make another will but if I did
not it is my desire that my brother the Rev. Tho
Dixon may administer on my estate & give off my
dear wifes dower or agree with her for it. I give full
power to my said brother to sell all my lands
and houses except my dwelling house & four lots
adjoining in Bridge & my run mill on the Hazel
run with the race & lands I am to have of Mr. Lewis
Wells which I give to my son Roger this heirs and
apart forever after the death or marriage of his mo-
ther and divide the money arising from such
sale among my three sons Roger John and Philip
\$500 to be deducted out of Rogers part to be pd to
his five sisters Mildred Eliza Lucy Susannah &
Mary and the survivors of them and the rest of
my estate debts & effects after my debts are paid
to be equally divided among all my children born
or to be born. I desire my slaves may not be sold
unless it should be absolutely necessary. I had rather
any deficiency in the payment of my debts should
be taken out of the money arising from
the sale of my lands and houses as before
directed than diminish the slaves which

I direct shall be lined out for the benefit of my W.
family in general added to the profits of the mill
& smelters shop
