Whereas since writing and subscribing the above will I have considered that some disputes may arise concerning the possession of the slaves named in my sons Richard & James I do hereby explain it as follows that the slaves in possession of my son Richard are as follows (to wit) Wining and her Children and their future Increase, Charity and her Children & their future Increase, also a Negro man slave Teahany; Whereas I formerly verbally gave to my son James the following slaves to wit, James, Faim, Celis, and Billy and after the verbal gift my son James sold to my son Richard a nego woman slave named Fann which by the Laws of the Land might not be deemed obligatory to prevent disputes concerning the matter I do hereby Confirm the point sale to all intents & purposes as if I had made the sale myself, — further it is my will & desire I desire it may be clearly understood and construed that my son James is certainly to have the Slaves Billy and Celis the Children of Fann and the future Increase of Celis — and to prevent any misconception my meaning is truly as follows that the increase of the slave shall commence from the date of this my Will, — And I do hereby declare this to be a Codicil and part of my Will and wish and declare it to be a part of the same Given under my hand & Seal this the 31st day of July 1800

In Obedience to an Order of the Worshippful Court of Spotsylvania County for settling the Account of Administration of the Estate of Thomas Graves deceased the Benjamin Waller Robert Dabney & Jonathan Clark Commissioners in the said Order named Report that we have settled the Accounts of the administration of that part of the Estate of Thomas Graves dec^d which his widow M^{rs} Ann Graves now dec^d possessed during her life which Acc^t is stated in folio 1. by which It appears that after paying all accounts for which the said Estate was chargeable, there was a balance in the hands of Joseph Graves Thomas Graves & William Pettus the Executors of the said Thomas Graves dec^d of One thousand five hundred and eighty seven pounds Six shillings and Nine pence to be divided according to the Will of the said Thomas Graves dec^d among fifteen Legatees - And in Order to balance the said acc^t we have charged the said Estate with their proportions thereof And for Any farther explanation we refer to the Acc^ts - We further report that at the request of those who represented the Exors. (Joseph Graves & William Pettus being dead and Thomas Graves in Kentucky) we have stated their separate accounts of their Administration of the said Estate, which Accounts are numbered (1. 2. 3 & 4) &c by which It appears that there is in the hands of Thomas Graves as an Exor. the sum of One hundred and thirty seven pounds and a penny farthing - which we have transferred to his Acc^t as a legatee - That there is in the hands of the Representatives of Joseph Graves another Exor. the sum of thirteen pounds five shillings & Eleven pence to be accounted for - that there is in the hands of William Pettus

as an exor. the sum of Fifty four pounds & seventeen shillings & six pence 3/4 which we have transferred to his Acc^t as a Legacy - We further report that at the request of the Representatives of the s^d exor. We have stated the accounts of the different Legacies with the Exors which Acc^t are £ 5. 6. 1/8 & by which Acc^t it will appear, that the said Exors. have overpaid General Graves one of the Legacies the sum of Six pound Eight shillings and six pence half penny, to William Lea the sum of £ 11. 11. 6 1/2 to John Spencer £ 7. 16. 6 1/2, to Thomas Kembridge £ 14. 3. 1 1/2 and to Mary Campbell £ 3. 11. 5 1/2 and that there is still due to Thomas Pulliam the sum of £ 5. 4. 5 1/2 to Thomas Graves £ 74. 12. 9 1/4 & to William Pettus Nine pounds, Eighteen Shillings & six pence 3/4 - We further report that by the Acc^t of William Graves who assigned his proportion to a William B. Graves, there is a balance due from s^d Exor. to s^d W^m B. Graves of £ 4. 16. 5 1/2, but by the Acc^t rendered by the Representatives of Jos: Graves one of the Exors there are several charges against the said W^m B. Graves which we have noted in the Acc^t but not allowed on acc^t of there being no vouchers to prove the payment, and the said W^m B. Graves being present and refusing to allow those charges - And as to those charges we leave them to be hereafter settled between the s^d W^m B. Graves and the Exors. - We further report that it appeared to us, that the reason of several Legacies being overpaid proceeded from a mistake of the Exors in this - that they proportioned the whole amount of the Estate immediately after making the sale thereof, without making any allowance for debts - charges - and Commission - And we further report

report - that for every charge against the Estate of the ¹^d Thomas Grauer dec^d. such charge has been substantiated by sufficient Vouchers or ^{very} satisfactory proof. and for all debts against the Legatees which ^{have} been allowed sufficient Vouchers or other proof have been produced to fix the Charge. Given under our hands this 20th day of April one thousand eight hundred & eleven.

Note - in the Acct of Jos. Grauer an Exp. William B. Grauer, as assignee of William Grauer is charged with £14. 3. 8. which William B. Grauer - refused to allow - and there being no voucher produced to prove the payment, is not all'd in Jos. Grauer's Acct. (but noted down & reported above) - If the Representatives of Joseph Grauer's Estate does not prove the payment to William B. Grauer - Joseph Grauer's Estate must pay to the Estate of the said Thomas Grauer the said £14. 3. 8. exclusive of the balance reported to be due by his Account. N^o 3.
