Commissioner's office June 28th 1879.

Pursuant to an order of the most honorable Court of Surry County I audited
stated and settled an account of Elizabeth A Holt Orphan of John Holt
deceased with James Simpson her guardian and find proper vouchers for all
the debts contained therein except some articles of small value purchased
and advanced by the said guardian and which being supported by the affidavit
of the said James Simpson was admitted by me. I find a balance due the
said Elizabeth A Holt orphan the sum of five thousand seven hun-
dred twenty eight dollars nineteen Cents with interest from the 31st day of De-
cember last. A report of Commissioners appointed under an Intestory
decreed of Surry County Court for a division of the Estate of John Holt deceased
was before me wherein in funds and bonds stock was allotted to the said
Orphan and paid to her guardian the sum of three thousand two hundred
thirty pounds six shillings and ten pence including one hundred sixty two
pounds sixteen shillings and five pence due thereon the first day of Au-
gust 1878 as interest. And it appears that the said Guardian has
Received of the principal only the sum of six hundred seven pounds in small
bonds which he has herein accounted for that the said Guardian holds

348

of the allotment aforesaid a bond of James A. Bradley for two thousand pounds principal and Interest thereon from the first day of April 1816 on which a suit was commenced on the 3rd September 1817 to foreclose the equity of redemption on Hog-island. 24 Shares in the Bank of Virginia on which six dividends remained due in the Month of January last. And a bond of £286. 10s. with Interest from the 1st April 1818. making three thousand and six pounds ten shillings of principal, exclusive of the Interest and also exclusive of the said £52. 7s. 19 which remained due the 31st Dec: 1818. from the said Guardian. The said Guardian also holds bonds and negroes of the said Orphan &c of which is respectfully submitted.

Commissioners Office, Curry County, to wit,
At the instance of Robert S. Hinton, guardian
to Polly C. Carseley orphan of Hartwell Carseley dec^d.
I have audited, stated and settled the foregoing account
of his guardianship on his said wards estate. I have
found legal vouches for all the charges in the account
except one of twelve and a half cents paid for
necklace: and a balance of Eight hundred forty
two dollars and thirty three cents, including interest
to this day, due from the said Robert S. Hinton gen^l
as aforesaid, to the said Polly C. Carseley, his said
wards. I had before me statements of the Bonds
rec^d by the guardian from the adm^r of Hartwell Car-
seley dec^d which I examined and found correct.
On charging interest in this account, I have deducted
the amount of charges from the first receipt of Bonds,
and calculated interest on the balance, and also on
the second receipt of Bonds from the time the same
came to the hands of the gen^l to this day. And six

per centum being the Commission usually allowed to guardians by the Court, has been allowed in this account. All of which is respectfully reported. Given under my hand as one of the Commissioners in Chancery for the County aforesaid this first day of September 1820.
