 Jan 1. To balance due the Guardian this day  
 including Interest \$263.97

Surry County Commissioners Office May 18. 1825.

The undersigned one of your Commissioners, has in obedience to an Order of the Court, audited, stated and settled the foregoing account of the Guardianship of Benjamin Bell on the estate of Elizabeth Warren, orphan of Jesse Warren. There are no vouchers for the debits except for \$22.70. Fitchett and Bells account, but as they consist almost exclusively of articles of necessary clothing except for board and schooling and the support of some chargeable negroes, all of which is considered reasonable they have been admitted.

It further appears that the said Elizabeth intermarried with Thomas P. Gwatney sometime in the month of February, 1811, but the said Bell having continued to rent out the land belonging to the estate of Jesse Warren and dec'd in which the said Elizabeth was interested until the year 1813, the account has been continued to that time.

Your Commissioner has in this account, as in the one now reported to the Court of said Bells Guardianship of Edwin Warren, credited the said Elizabeth with her proportion of the Sale of the tract land sold under a Decree of Southampton County Court for distribution, after deducting from the gross amt. of the Sale the usual Charges, the Commissioners appointed not having in that case, reported.

I find a balance due the said Benjamin Bell from the said Elizabeth Warren on the first day of January 1814, of Two hundred sixty three dollars and ninety seven cents with Interest on Ninety five dollars and eighty two cents from the aforesaid first day of January

1814 till paid, which is respectfully submitted.  
 Commissioners Fee \$7.00 Drury Stith Com. in Chy.

At a Court held for Surry County May 23<sup>rd</sup>. 1825.

The foregoing Account of Benjamin Bell senior transactions as guardian of Elizabeth Warren Orphan of Jesse Warren dec. was reported by Drury Stith a Commissioner in Chancery for the Court. the said Account & Report are laid over by the Court for Examination and Exceptions.

And at a Court held for the said County the 25<sup>th</sup> day of October 1825, the said Account was again called up by the Court, and no Exceptions being filed to either the Account or Report the same together with the Report is received by the Court, and ordered to be recorded.

Surry County Commissioners' Office. May 16. 1825.

In obedience to an order of Surry Court, I have audited, stated and settled the foregoing account of the transactions of Benjamin Bell as Guardian to Edwin Warren Orphan of Jeepe Warren. Your Commissioner finds a balance due Edwin Warren from the said Benjamin Bell his late Guardian on the first day of January 1814 including Interest of Eleven hundred and fifty Dollars and twelve cents. None of the debits in this account are supported by vouchers, except for \$6. paid Doct. Bailey and \$13.70 to Fitchett and Bell, but as the few articles charged, consist almost exclusively of necessary clothing, and at apparently fair prices, I have admitted them. Your Commissioner also considers the Charge for the board and clothing of the Orphan and for the support of old Hannah reasonable.

It appears that there was no division of the lands among the several children of Jeepe Warren during the Guardianship of said Bell, and altho Edwin Warren died towards the close of the year 1804, the said Bell continued to rent <sup>them</sup> out, and to hire out the negroes allotted to the said Edwin until the year 1813, for this reason your Commissioner has continued the account to that time, for the years 1795 & 1796, the land rents and negro hire is credited to Jeepe Warren's estate in the administration account of Martha Warren and William Warren. The Commissioners appointed to sell a tract of land belonging to the estate of Jeepe Warren for distribution under a Decree of the County Court of Southampton, have never reported, but as they carried the decree into effect, and conveyed the land to the purchaser, your Commissioner has allowed the usual charge in such cases and credited Edwin Warren in this account with his proportion. All of which is respectfully

submitted to the Court.

Pursuant to an Order of Court Shabo audited sta-

 Hart's transactions as Guardian on the Estate of  
 Sally Hart orphan of Peper Hart dec.

Sally being one of the youngest children as appears by a transcript from the family record filed with the papers laid before me, no board has been allowed because such (by the evidence of Spratley and Stead filed with the account of Mr. Hart's transactions as Guardian on the Estate of Jesse H. Hart now herewith reported) was the intention of the Guardian. In regard to Negro hire and clothing the same rule has been observed in this as on the account of Jesse H. Hart and to which it is requested reference may be had.

Your Commissioner finds a balance due the said Orphan Sally Hart on the first day of January 1825 including Interest of one hundred twenty seven dollars and Fifty nine cents with Interest on one hundred and six dollars and forty five cents from the said 1<sup>st</sup> day of January 1825 till paid.

 The undersigned one of your Commissioners has ac-  
 cording to Order audited stated and settled the fore-  
 going account of Rebecca Hart's Guardianship  
 on the estate of Sep<sup>r</sup> Hart Orphan of Jesse Hart  
 dec<sup>d</sup>. It is proper to observe that no account was  
 filed with the papers laid before me of the yearly hires  
 of the negroes belonging to the several Orphans of Jesse  
 Hart dec<sup>d</sup> to wit Sep<sup>r</sup> H. Henry, Mary and Sally  
 on each of whose estates the Court has by the aforesaid  
 order directed accounts of the transactions of their  
 Guardian Rebecca Hart to be made up) except

for one of Jejee's negroes in the years 1817 and 1820 which negro was in 1817 hired out for \$35 and in 1820 for \$45, nor has any regular account been seen showing the precise clothing furnished by the said Guardian to this or her other wards, she has in a few instances charged in a lump the clothes supplied during the year it is believed from the information of Doctor Hollman the administrator of Mrs Hart, that the statements mentioned and which are on detached pieces of paper are all the accounts left by said Guardian of her transactions on her wards estate, in the few charges made by her for clothing, they are moderate, as are also those for board, nor has she in the accounts she left made mention of more than half the negroes she had according to the evidence in possession.

Your Commissioner has therefore in making up these as well as the other accounts ordered by the Court been regulated as to the hires by the evidence of William Slade as to the kind of Negroes and his own judgment as to the proper sum, and has fixed on \$40 for the years that no account has been left by the Guardian, believing that is a fair average for the several years they were hired out, in relation to the clothing and board and for keeping negro woman and maid and children, your Commissioner has taken as a criterion considering them reasonable, the debts of the Guardian herself.

Mr Slade in his affidavit which is hereto annexed, states that he thinks the negroes came to the possession of the Guardian, the last of 1817 or first of 1818, in this the witness is mistaken, because the

Guardian herself shows among the papers filed she  
 had one year sooner than the time he mentions.  
 Your Commissioner finds a balance due the  
 said Orphan Jephthah on the first day of Jan-  
 uary 1822 of Sixty five dollars and ten cents  
 with interest on sixty five dollars and seven  
 cents part thereof from said 1<sup>st</sup> day of January  
 1822 till paid respectfully submitted.

Commissioner's Office Surry County March 15<sup>th</sup> 1826.

Pursuant to an Order of the Court the undersigned one of your Commissioners has examined stated and settled the foregoing Account of Rebecca Hart's Guardianship on the estate of Henry Hart Orphan of Jesse Hart dec.  
 In making up this Account I have been governed in regard to negro hire and clothing as in that of the said Guardian's transactions on the estate of Jesse H. Hart to which Account which is now also reported to the Court a reference is requested. Among the papers laid before me there was a transcript from the family record, shewing the ages of the several children named in the above mentioned order of Court, Henry being one of the youngest no board except \$35 paid John Cocks is allowed because by the evidence of John Spratley (annexed to the account of Jesse H. Hart) it was not the intention of the Guardian to charge any. I find a balance due the said Orphan Henry Hart on the first day of January 1825 including interest of Forty two dollars and ninety six cents with Interest

1827

on Twenty four dollars ninety six Cents part thereof from the aforesaid 1<sup>st</sup> day of January 1825 till paid. respectfully submitted.

Commissioners Office Surry County May 20<sup>th</sup> 1826.

The undersigned one of your Commissioners has according to order, audited, stated and settled the foregoing account of Thomas W. Bage's Guardianship on the Estate of William W. Bage Orphan of Thomas Bage dec<sup>d</sup>.

Some few of the items charged were unsupported by vouchers, but as these consist of necessary clothing your Commissioners upon the Guardian Thomas W. Bage making oath to their justness, admitted them from a statement by said Guardian, the said William W. Bage sometimes lived with his mother who does not intend (as she heretofore informed said Guardian) to make any charge, for these years no board has been allowed by me in this account. It further appears that Samuel Butler administered the Estate of Thomas Bage the elder, who by a report dated the 29<sup>th</sup> April 1819 by Commissioner James D. Edwards became indebted to the aforesaid Orphan William W. Bage as one of the Legatees of said Thomas Bage in the sum of \$24.13 being a balance due him from the surplus of said Bages estate to be distributed, it does not appear that the Guardian Thomas W. Bage, has ever received that money, or that

he ever took any steps to collect it for his ward, his failing to do so, Your Commissioner thinks he is fairly chargeable, and has accordingly debited him in this account with the amount and interest. I find a balance due the said Guardian Thomas W. Bage from the estate of his late Ward William W. on the fifteenth day of the present month of May 1826 of Three hundred and forty dollars and sixteen cents with interest on three hundred and nine dollars & forty seven cents from the aforesaid 15<sup>th</sup> May till paid. all of which is respectfully submitted to the Court.

Cornelius M. C. D.

Commissioner's Office May 23<sup>rd</sup> 1826

Since the close of the foregoing report your Commissioner has been required to state by the Guardian Thomas W. Bage, that he objects to the charge of \$26.95 made against him in this account on the 1<sup>st</sup> of January 1822 because he says he has never received any part of the money, and there being two other guardians before him who should have collected it. It does not appear that the said Guardian Bage did in fact ever receive the debt in question, but the account showing the balance to be due his ward from the estate of Samuel Butler, was not reported to this Court until April 1819 at which time Bage was the Guardian, he then being the only person at the time the claim was ascertained to be due who could have legally compelled payment. Your Commissioner considers him chargeable in as much as he neglecting to do so should not

operate to the injury of his said, should the Court  
however think the Charge improperly made then the  
balance due the said Thomas W. Page from his  
late Ward William W. Page on the 15<sup>th</sup> day of  
May 1826, will be Three hundred twenty two  
dollars and twenty cents, with Interest on Three  
hundred thirty four dollars and eighty cents part  
thereof from the aforesaid 15<sup>th</sup> day of May 1826  
till paid. respectfully submitted.

Commissioners Office Surry County May 19<sup>th</sup> 1826  
Pursuant to an Order of the County Court of  
Surry I have audited status and settled the forego-  
ing account of the Guardianship of Thomas  
W. Page on the Estate of John H. Mc. Page  
Orphan of Thomas Page dec<sup>d</sup>?

The land and negroes belonging to the Orphan were  
delivered up to him by his Guardian on the first  
January 1822, altho he did not arrive to the age  
of twenty one years until the 9<sup>th</sup> January 1824  
consequently no notice has been taken by your

Commissioner of the rents and hires from the time aforesaid. For many of the debits there is no vouchers but their justness was acknowledged by the late Ward John H. Mc Page on the examination.

The notice to the parties to this account is attached to the one now filed with report of said Page's Guardianship on the Estate of William W. Page. Your Commissioner finds a balance due from Thomas W. Page to John H. Mc Page his late Ward on the first day of January One thousand eight hundred and twenty five of Seventy dollars and ninety six cents, with Interest on Forty six dollars and eighty two cents from the said 1<sup>st</sup> day of January 1825 till paid respectfully submitted to the Court.

(Dunp. With Mc G. & Co.)

Commissioners Office May 23<sup>rd</sup> 1826.  
Since closing the foregoing report Your Commissioner has been required to state by the guardian Thomas W. Page that he objects to the item of \$26.95 charged against him in this account on the 1<sup>st</sup> January 1822, because he says he has never received any part of the money, and because there were two other Guardians before him, who ought to have collected the claim. - It does not appear that the said Guardian Page did receive the sum

in question but the account showing this balance to be due his orator from the estate of Samuel Butler dec<sup>d</sup> was not reported to this Court until April 1819, at which time Bage was the Guardian Your Commissioner considered him chargeable because he was the only person at the time the debt was ascertained, who could legally collect it and his neglecting to do so should not operate to the injury of his orator should the Court however think the debt an improper one, the balance then due on the first day of January 1825 from Thomas W. Bage to John H. Mc. Bage his late Ward, will be Forty one dollars and seven cents with interest on Twenty one dollars & forty nine cents from the aforesaid 1<sup>st</sup> day of January 1825 till paid. — respectfully submitted.

(Pruntythick Com. &c.)

At a Court held for Surry County June 22 1826  
The within account of the guardianship of Thomas W. Bage on the Estate of John H. Mc. Bage Orphan of Thomas Bage dec<sup>d</sup> was this day reported by Pruntythick Commissioner of this Court and laid over for examination & exceptions. And at a Court held for said County November 27<sup>th</sup> 1826, On examination of said account and report, no exceptions having been filed thereto, the Court doth now confirm the said account & report & order the same to be recorded.
