Sunny County, Commissioners Office
May 6th 1825.

Pursuant to an Order of Sunny Court recommending
the accounts of Thomas Ellis's guardianship on the estate
of the Orphans of Burwell Sharp dec'd for further exam-
ination and report made at November Term 1822 I
have audited, stated and settled from the evidence filed
and other papers, the foregoing account of said Ellis's
guardianship of Susan Sharp one of the Orphans, and
find a balance due her from Thomas Ellis her late
Guardian on the first day of January 1816 of one
hundred and eighty six dollars and forty eight cents
with interest on said sum from the said first day of
January one thousand eight hundred & sixteen, till paid.
Your Commissioners cannot believe that it ever was
the intention of the Guardian to make no charge for the
support of his ward and at the same time to account
for the profits of her estate, but merely to comply with
Burwell Sharp's will. having drawn this conclusion from
the evidence, he has acted under it in allowing the sums debited
in this account for the support & schooling said Orphan. All of
which is respectfully submitted to the Court.
Commissioners fee \$6.00 (Drawn with Com. in Chs.)

At a Court continued by adjournment and held for
Sunny County the 21st June 1828.

The Exceptions filed to the within account of Thomas
Ellis as guardian of Susan Sharp Orphan of
Burwell Sharp dec^d? being taken up by the Court
on consideration had by the Court, the Court doth
overrule the exceptions receive and establish the
said account & report & order the same to be recorded.

Commissioner's Office

Sunny County, July 23rd 1828.

The undersigned Commissioner of the County Court of Sunny has according to order audited, stated & settled the foregoing account of the guardianship of Miles Burgess on the Estate of Honor Minerva Chapman Orphan of Samuel Chapman decd.

It appears from the records of the Court that at August Term 1821 Mr Burgess was by the Court discontinued as guardian of the orphan, that after this, she having no person to apply to for such necessaries as she required, Burgess furnished her with them until Wm. C. George qualified as guardian in 1826, he also on the first day of January of that year hired out John, a negro belonging to said orphan. Your Commissioner has therefore made a separate account of his transactions after his discontinuance as guardian which is hereto annexed & marked B.

I find a balance due the orphan upon the guardianship account on the first day of January 1827 of Five dollars and seventy seven cents, which sum is paid to her credit in account B. finally leaving a balance due Miles Burgess on the day aforesaid of thirty three dollars and sixty one cents, with interest on thirty two dollars and forty four cents, a part thereof, is paid, which is respectfully submitted to the Court.

Commissioner's Office, Surry County, July 3rd 1828.

The undersigned Commissioner of the County Court of Surry, has according to order, audited, stated & settled the foregoing accounts of the guardianship of Jonathan Ellis on the Estates of Martha and Thomas Goffigan Orphans of Henry H. Goffigan decd. It does not appear to your Com. that the said Orphan's Land which lies in Warwick has ever been divided, nor were the negroes Isaac, Sally, & Chilorn and Ann the hires and rents had therefore been equally divided between them, the slaves and Land aforesaid with the monies received from the admor of D. Price decd. and Sally D. M. Intosh and the slaves which were divided under a decree of Surry Court, to wit, Jacob and Angelina to Martha & Ann and Sally Ann to Thomas Goffigan is all the estate made known to your Commissioner belonging to the orphans which came to the hands of the Guardian, all of which it will be seen is accounted for. It further appears that Isaac and Sally and Chilorn and Ann were taken from the guardians early in 1826 (perhaps the first of Jan'y) by Rich^d H. Whitaker the admor of Henry H. Goffigan, and sold for the purpose of raising money to satisfy demands on the estate, the slaves aforesaid were therefore only one year in possession of the Guardian. I find a balance due the Orphan Martha Goffigan on the first day of January 1828 of Two hundred and two dollars and thirty six cents with interest on one hundred eighty five dollars & fifty nine cents paid thereof from said day till paid, and also a balance due the Orphan Thomas Goffigan on the same day of two hundred thirty one dollar and sixty cents with interest on two hundred

and eight dollars (and sixty five cents) part thereof from the day aforesaid till paid, which is respectfully submitted to the Court.

Commissioner's fee for settling the acct. Drury Stith Commr of the Guardianship of Martha \$2.50
Do of Thomas Goffigan 2.50
charged to D. Smith the present Guardian \$5.00

Comm. Office July 28th 1828.

Since closing the reports to the accounts hereto annexed, it appearing that the items of \$1.75 charged in Martha's acct. as paid R. Graves & Co \$3.18 in the acct. as paid the same were not so actually paid, altho a receipt given for the amts aforesaid to the Guardian but were included in a note executed by Ellis to said R. Graves & Co on the day aforesaid, the present Guardian P. Smith consenting to pay the same, Your Comm. thought it equitable and just to permit the same to be so settled and has therefore deducted the said amts from the credits allowed the guardian Ellis. the accounts therefore now stand as follows, to wit a balance due the Orphan Martha Goffigan from her late Guardian Jonathan Ellis on the 1st of Jan'y 1828 of \$204.24 with interest on \$187.34 from that day till paid: and a balance due Thomas Goffigan on the same day of \$235.03 with interest on \$211.83 from said 1st Jan'y 1828 till paid, which is further respectfully submitted.

Drury Stith Commr.

At a Court held for Surry County July 28th 1828.
The within accounts of the Guardianship of Jonathan Ellis on the Estates of Martha and Thomas Goffigan Orphans of Henry H. Goffigan dec^d having been reported by Drury Stith a Commissioner of this

Commissioners Office

Lerry County July 16th, 1829

Pursuant to an order of the County Court of Lerry the undersigned Commissioner has audited stated and settled the foregoing accounts of the guardianship of Martha Cocks and also of William Briggs and the said Martha his wife on the Estates of Martha A. Linda S. and John W. Cocks orphans of Nathaniel Cocks dec'd. Mrs Cocks having intermarried in the Fall of 1826 with William Briggs I considered it proper to separate the accounts (except in the case of Martha A.) and to make up one for her transactions previous to and one for the transactions of herself & husband since her marriage aforesaid. the guardian produced vouchers for all the debts in the several accounts except those marked thus # these being principally for schooling and clothing and charged apparently at reasonable prices. I have deemed it proper to allow them, the balance of the debts for which there were no vouchers and for the support of two negro woman and 6 children and for the expence of obtaining two decrees for the sale and division of property to which they were entitled under the will of N. Dole sen't & otherwise there have been also deemed reasonable and admitted.

I find a balance due the orphans on the first day of January and first day of June 1826 as follows to wit to Linda A. Cocks on the first day of January the sum of Four hundred twenty nine dollars and Seventy one Cents with interest on Four hundred and

 from said day till paid to Jesse W locks
 on the same day the sum of Three hundred
 forty eight dollars and twenty five cents with
 interest on Three hundred twenty eight dollars
 and fifteen cents from said day till paid
 and to Martha A locks on the first day of
 June 1829 the sum of Eight hundred twenty
 nine dollars and forty eight cents. Your
 Com^r. reports that Martha A departed
 this life in August 1827 under age leaving
 a ~~brother~~ brother and a brother and sister of the whole
 blood to wit. Martha now Martha Briggs
 Linda A R and Jesse W locks who are
 entitled to the balance reported as due her
 I have therefore divided it between them
 equally but the proportions of Linda &
 Jesse are not entered to their Credits in the
 accounts now rendered because they close
 on the 1st day and the Guardianship of
 Martha A is carried on to the 1st June
 following they will have therefore to appear
 to their Credit in the accounts to be hereafter
 rendered to the Court as well as their propo-
 rtion of a balance received from Jordan

 respectfully submitted.
