Commissioners Office. Surry County
December 23rd 1829— The undersigned

Commissioner of the County Court of Surry in settling the foregoing account had received the Committee a small sum received by him as the Orphan's interest in his mother's Estate, and also the annual hire of his Slave Matt. for his support - these allowances may appear large for the value of the Orphan's Estate except the first year when it certainly was not compensation, but Alex Brown is an idiot and consequently must have been much more trouble to the Committee than if this had not been the case. It does not appear to your Commissioner that he had any other Estate than is herein accounted for which is respectfully submitting to the Court.

Surry County December 23rd 1829

The Court will perceive that in settling the foregoing accounts, the Commissioner has allowed to the guardian the profits of the orphan estate for his support, except for the two last years, to wit 1828 & 1829. the Orphan did not reside with his guardian in 1828 and for 1829 his services were considered an equivalent for his support. with these allowances altho certainly small the guardian Mr. Warren is satisfied. No other estate has as your Court is informed ever come to the hands of this guardian if indeed the Orphan is entitled to any from any quarter.

Commissioners Office Surry County
 Jan^y 15th 1830

It does not appear that any other Estate of the Orphan has come to the hands of the Guardian except that which is accounted for in the account annexed. there are several pieces of unimproved land for which the guardian could not obtain tenants - he succeeded one year in renting out Sawages but as there is no building on it he failed afterwards to dispose of it. Ellis did not come to the possession of the Guardian till the death of Mr. Ellis which happened in the fall of 1826: There are no vouchers before me for the debts noted thus \$3.10 in 1826 of \$2.15 \$2.15 \$2.15 \$5- in 1828 of \$2.15 \$2.00 \$11.75 \$1.38 in 1829 of \$5.75 \$2.00 but they are admitted first because they are reasonable and secondly by the Court

Commissioners Office Surry County June 26th
1830

Pursuant to an Order of the County Court of
Surry the undersigned Commissioner has
audited Stated and settled the foregoing additi-
onal account of John W. Locke's guardian-
ship of Sally E. Bowdoin orphan of John
Bowdoin and Croachers for all the debits
which were before me except for those numbers
from 1 to 7 inclusive. In the guardian-
ship account and also in the Executor account of
1826 heretofore reported General Locke is
charged in each with \$100. money rec^d
from Willis Cousins and as only \$100 as your
Court is informed was in fact received it is of course
error in charging it to him both as Executor
and guardian the proper entry is now made
in the account to correct the mistake. It is
very probable too that the charge ought ^{not} to
remain on the Executorial account because if
the money was drawn from Mr. Cousins on
account of and in part of sales of the produce
of the Estate and the proceeds of those sales
have been fully credited to the Estate without
regards to the sum aforesaid it should of
course be stricken from that account as well
as this but as the necessary papers and informa-
tion to enable me to ascertain with certainty
the fact were not present when the Executor
account was settled

settled the entry has been permitted to remain
 at the audit of the next account. These papers will
 be before the Court when if it shall be seen that
 it is error it can be corrected. The guardian
 requests me to state that the bond of Thomas R
 Harrison for \$1000 bearing interest from 1st
 June 1826 mentioned in the Guardianship
 account of 1827 has been cancelled and a new
 bond executed by the said Thomas R Harrison
 with Randolph Harrison his security dated
 8th July 1827 and bearing interest from
 in renewing or taking the new bond the interest
 remaining due and unpaid on the old one was
 included. I find a balance due the guardian
 on the 31st day of December 1827 of Eleven Pounds
 and Ninety three dollars and Seventy five cents
 with interest thereon from said day until he shall
 be reimbursed but the bonds debited in this area
 the preceding accounts of course belong to the
 Estate and which with the interest that may thereon
 accrue the Guardian will have to account
 all of which is respectfully submitted to the
 Court.

Commissioner of the Court
 Charged to John H
 Locke the Guardian \$5.00

At a Court held for Surry County June 28th
 1830. This account of John H. Locke as guardian
 of Sally Elizabeth Courtney Bowdoin orphans
 of John T. Bowdoin dec. with report of
 Commissioner Stith annexed was this day
 exhibited into Court & ordered to remain for
 examination & exceptions. And at another

Court held for said County on the 27th Sep.
 terms following the same having remained
 two months and no exceptions having been filed
 there to was confirmed and ordered to be recor.

Commissioner's Office Surry County November 16. 1830

It will be perceived that no board has been charged the orphan from the end of 1818 to the first July 1820 a period of eighteen months. At the time your Commissioner is informed there was no Guardian the board however was paid by the administrator of the orphan's father as will be seen on reference to his administration acco^s which is of record in the clerk's office of this Court & here in a distributed account with this orphan (there improperly called due) there are \$100 or charged in three several sums of \$20. each which the adm^r informs me was for board from 1 July 1818 to 1 July 1820.

On a settlement between the adm^r and the Guardian in June 1825 it appeared that he the adm^r had paid the the Guardian over and above the orphan's proportion of the estate on the account then settled the sum of \$64.17 which she promptly refunded and is debited herein.

In settling this account your Commissioner has permitted the Guardian to expend for the support of the orphan his pro^s of the colored land from the adm^r after payment of debts his pro^s of sales of his father's land & the hire of his negro Archer, which he considers is not in fact compensation particularly as Mrs Warren (the Guardian) had the care and custody of him ^{from} his earliest infancy but it was all which could be allowed her. All of which is respectfully submitted to the Court.

Amount of \$3. charged to Cherry Warren Dury Smith Comr.

On Surry County Court Nov: 22nd 1830

This account of Cherry Warren guardian of James & Bill orphan of John Bell died with report of Comr^s Smith annexed was exhibited into Court and ordered

Commissioner's Office

Surry County January 16th 1831

1831. The undersigned Commissioner of the County Court of Surry, has accordingly to order Audited, stated, and settled the foregoing account of Thomas P. Gwaltney's guardianship of John N. Thompson orphan of Nicholas Thompson dec'd.

Notice of the settlement of this account was given for the 12th day of April last, when all the parties attended; since then, other vouchers have been laid before me and are charged; they are marked on the account thus & these vouchers are hereto annexed.

At the time of examining the papers. Mr. Sudwell Gwaltney acting as ^{the} attorney in fact of Thompson objected to the debit of \$8.23 paid to Crittendens ^{admr} saying that the money was not paid by Gwaltney but by Thompson himself no evidence of this fact has been produced and the receipt being to Gwaltney. I have of course debited it. this paper is also annexed, and also the affidavit of William Ingram proving the payment of \$20. charged to the Orphan on the 1st of January 1821.

The report of this account has been delayed in order to give the parties on both sides time to collect testimony in their favour which they supposed they could do, in which however, they have failed.

I find a balance due the Orphan on the 1st day

458

of January One thousand Eight hundred and twenty three of Forty five dollars and Eighty eight Cents which is entitled to bear Interest from said day till paid, all of which is respectfully submitted to the Court: -

Commissioners: fee \$8.00

Commissioners Office - Hurry County, June 10th 1830

The foregoing Account of John Faulcons Guardianship of Peter J. Sprattley was audited by Commissioner Johnathan Ellis some years since, and in the life time of the Guaror, but not reported. Your Commissioner under the late order of Court has re-examined the papers, and the Account, and with the exceptions of an error of \$38.26 which he has corrected finds no reason for altering the account. the above balance of Five hundred sixty two dollars & fifty five cents was settled by applying that sum as a credit to said John Faulcons bond held by Peter J. Sprattley as assignee of James Jones, and also the sum of Sixty nine dollars and thirty three cents (part of the error) has been applied as a credit and which fully settled the said bond, leaving the sum of three dollars, thirty six cents with interest there on from 1st Jan^y 1825 still due and unpaid. All of which is respectfully submitted

Pursuant to an Order of the County Court
 of Surry, I have audited, stated and settled
 the foregoing account of the Guardianship
 of Philip Smith on the Estate of Robert
 A. Price, Orphan of David Price and proper
 vouchers for all the debts in which, were
 before me except those marked v and as they
 are very few and were not objected to by Mr.
 Robert A. Price who was present at the set-
 tlement of this account, they have been admit-
 ted by Your Commissioner. The Guardian
 paid out the Orphan's Negroes & rented out his

land in January last for the present year ⁴⁹¹ 1831, and as his guardianship ceased ^{the} 15th July at which time the Orphan arrived of age, I have thought it proper to make a separate account for the Rent of his Land and the hires of his Negroes the present year which amount to the sum of ninety eight dollars and seventy cents. I find a balance due the said Orphan on the 12th day of July one thousand eight hundred and thirty one, of one thousand sixty five dollars, sixty six and a half cents, with interest on nine hundred, thirty three dollars, twenty nine and a half cents being a part thereof from said 12th day of July 1831 till paid. All of which is most respectfully submitted. Given under my hand the 11th August 1831.

Walter B. Booth Comr.
