At a Court held for Superior County the 15th day of May 1783
The Court now proceeded to receive the Proof upon the Contestation
of the Writing purporting to be the Last Will and Testament of
James Cain dec'd entered by Mecajah Cain Atty at Law to the
dec'dent whereupon the Witnesses following were sworn and
Examined and deposed as follows viz Sham Smith of full
Age being sworn deposed that the Monday next before the
Date of the said Writing he was applied to by a Messenger from
James Cain to go to the house of the dec'dent to wait his Will
he accordingly went and found the dec'dent in his Senses
but so disordered in his Speech that he could not speak to
him without extreme Pain which induced the Depoent to
decline doing any thing at that time and desired to be sent
for when his Speech should be restored The Wednesday
following he went again in consequence of another
Message from the said James Cain who then appeared
so far restored in his Speech that he could be perfectly
understood He then produced an old Will which he had
found of which the Present Writing is nearly a copy

except unto the Clauses relating to his Wife and the three Youngest Children that the whole of the present Writing was dictated by the dec'd and wrote by the Deponent accordingly and that the Deponent asked no Questions of the Dec'd except such as tended to Information of his Intent in disposing of his Estate and that after it was Written and before signing it was deliberately read to the dec'd who expressed his entire approbation thereof and accordingly signed and published the same, Whereupon this Deponent signed his Name as a Witness thereto in the Presence of the Testator and other Witnesses

James Cain Son of James Cain the Decedent personally appeared and relinquished all Right Title and Benefit of Legacies and Bequests which he might claim or have by or under the said Writing now under Proof and being thereupon sworn touching the proof thereof deposes that he attended upon the Testator during his Illness before and after the making of the said Will that he was absent at the time of making the Will but immediately on its being finished he was sent for by the Testator to subscribe his Name as a Witness thereto that he heard him acknowledge and saw him sign the said Writing as his Will and that he believes he was in his perfect senses at the time of his so doing

And that he signed the same as a Witness and further the
deponent saith that it was proposed by some of the Legates
that he should receive the sum of one hundred Pound to attin-
guish his Legacy on the said Will but that no such agreement
subsist his Release being made without any Expectation
of a Compensation therefor or taken or claiming any thing
under the Will In consideration whereof and upon hearing
the contending Parties by their Counsel it is the Opinion of
the Court that the said Writing is the true and proper last
Will and Testament of the said James Cain dec'd and they
do establish it as such and Order it to be Recorded

The writing purporting the last Will and Testament of Israel Poreh exhibited into this court in February last came on to be considered. Asham Poreh in support of this Will and James Poreh against it being present with Counsel on each side the Court thereupon proceeded to enquire and take the depositions of sundry Witnesses relative thereto (that is to say,

Frederick Williams being first sworn deposeth and saith that he was in Camp with Israel Poreh at Williamsburg that he brought a Paper to him the same he believe is the one now produced and requested him to direct it to Asham Poreh and that he further believes the Superscription on the Paper is this Deponents hand Writing written in consequence of that request that he is unacquainted with the Deceaseds hand writing upon being cross examined and interrogated whether the said Israel Poreh told him that the contents of the Paper was his Will he answered No that the Deceased lived about nine or ten months after making his request Solomon Poreh being also first sworn deposeth and saith that he believes the Writing contained in the produced Paper to be the hand writing of Israel Poreh deceased that he was acquainted with the deceaseds hand Writing he being his brother and having received

Several letters from him but only one in his own hand
writing and that he is not interested in the Event in this respect
that on Supra Court day 1776 this deponent set off to see his
brother but the Regiment having marched he followed them to
New Kent Court house and kept them company about about
fifteen miles farther where his dectd brother Israel informed
him of having written a letter to his brother Isham contain-
ing to the best of his knowledge and recollection the purport
of the writing produced and that the dectd being apprehen-
sive that the letter written was not so formal as requisite
for a will desired him to take notice that he had given his
land and his negro to Isham Perch upon the dectd expressing
and inclination to make a will more formal the deponent told
him that he had a form in his Pocket whereupon the dectd
seemed very anxious for the deponent to tarry with him that
night in order to effect his desire but that it was out of his
power that the dectd declared his reason for giving his estate
to Isham to be because his father had left him little in
respect of the other children

Nathan Witherson also being first sworn deposes and
saith that he was acquainted with dectd and his hand
writing and that he believed the writing produced to be the hand
writing of the dectd

Henry Brown being first sworn deposes that the
dectd was at his house sometime before his marching to

the Northward that he recommended it to him to settle his business before he proceeded on his march and that he answered him he would that the depts went in company with the other depts Solomon Perch to see the deed on his march and that upon his then asking whether he had finished his business he answered he had settled it by a letter to Isham Perch being asked whether the writing produced to the Court was the letter alluded to he answered he does not know

Whereupon this Court doth appoint and fix on their next sitting to hear counsel of and upon the Premises

And Now, to wit At a Court held for Sussex County Court aforesaid The 14th day of June The Deposition aforesaid being duly considered and the Parties at Contest heard by their Counsel It is the Opinion of the Court and they do adjudge The writing aforesaid to be the true last Will and Testament of the said decedent & Ordered it to be recorded

Deceased as presented to us by Capt. Mr Massenburg Surviving & Co. of S.
